

ONLINE RESOURCES FOR INTERNSHIP SEARCH

CUNY SPH CAREER SERVICES WEBPAGE

The school receives job and internship announcements from employers on a daily basis. We post these career opportunities on our webpage that you are welcome to review and start applying for.

H RTP: A PUBLIC HEALTH INTERNSHIP PROGRAM

H RTP: A Public Health Internship Program at the NYC Health Department provides the opportunity for undergraduate, graduate and professional school students to experience some of the "real life" challenges of public health. By working on current relevant public health issues under the close supervision and mentorship of experienced professionals, students apply classroom learning to practical problems in a closely matched practicum and, in the process, learn critical skills needed to excel in the field.

PUBLIC HEALTH SOLUTIONS INTERNSHIPS

Internships (paid, unpaid, and for credit) may be available at Public Health Solutions for undergraduate and graduate students at an accredited college or university in the United States.

Internships are designed to provide students with work experience and/or relevant experience in their field of study.

PUBLIC HEALTH INSTITUTE INTERNSHIP

PHI's Internship Program seeks to provide selected candidates with a structured teaching/learning environment to enhance their academic or professional training with practical experience. PHI's Internship Program is designed to create a pipeline of trained, future public health professionals by matching interns with PHI programs, based on their interest, and focus of their academic training.
