Protect yourself from COVID-19 and stop the spread of germs.

Wash your hands thoroughly with soap and water for at least 20 seconds, especially before eating.

Avoid close contact with people who are sick and stay home if you are sick.

Avoid touching your eyes, nose, and mouth.

Stay home as much as possible. Everyone—even young people and those who feel well.

If you must go out, stay at least 6 feet away from others.

You must wear a face mask or face covering in public when social distancing (staying 6 feet apart) is not possible, especially on public transport, in stores and on crowded sidewalks.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Clean and disinfect frequently touched objects and surfaces.
