The City University of New York (CUNY) and the Graduate School of Public Health and Health Policy (CUNY SPH) are dedicated to maintaining an inclusive work and learning environment, and I write to strongly reaffirm our commitment, and my own commitment, to the principles of affirmative action, equal opportunity, and diversity. Accordingly, I am committed to oversee our compliance with the CUNY Policies and Procedures on Equal Opportunity, Non-Discrimination, and on Sexual Misconduct.

The Equal Opportunity and Non-discrimination Policy states CUNY’s commitment to recruit, employ, retain, promote, and provide benefits to employees regardless of race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, unemployment status, pregnancy, or status as a victim of domestic violence/stalking/sex offenses, or any other legally prohibited basis in accordance with federal, state and city laws. I remind you that Italian Americans are included among CUNY’s protected groups. Additionally, as a federal contractor, CUNY engages in affirmative action consistent with federal requirements.

I invite you to view the Equal Opportunity Policy and the Title IX – Policy on Sexual Misconduct:
