ARTICLE I. PREAMBLE

These revised By-Laws implement the Governance Plan that was approved by the CUNY Board of Trustees (Board) on December 14, 2020.

ARTICLE II. ADMINISTRATIVE AND PERSONNEL MATTERS

Section 1. General

SPH has an administrative structure and administrative officers, which may change in title and function as SPH grows. Therefore, wherever the Governance Plan or these By-Laws refer to a specific administrative officer (e.g. Dean, Registrar, etc.), or academic unit (e.g., program or department, etc.), or academic position (e.g., clinical professor, distinguished lecturer, etc.), such language should be construed to include any equivalent officer, academic unit, or academic position regardless of the particular language that is currently in use. In all such instances not fixed by the Governance Plan or these By-Laws, the equivalencies shall be determined by the Governance Council after consultation with the University, as appropriate.

Section 2. Assignments

Responsibility for interdisciplinary courses shall be assigned to a department by the Dean or the Dean’s designee, with consultation by the department chair. The department responsible for interdisciplinary courses shall consult with faculty in other programs on course content as needed. SPH courses may be cross-listed by other CUNY units and SPH may choose to cross-list other CUNY courses.

Section 3. Joint and Affiliated Faculty

Joint and affiliated faculty shall serve three-year renewable terms, but may be removed at any time at the discretion of the Dean after consultation with the host department’s Committee on Appointments, Promotion and Tenure.

Section 4. Deputy Department Chairs

After consultation with the Dean, a department chairperson may invite a faculty member with faculty rank within the department to serve as deputy chair to assist in the administration of the department. The deputy chair shall serve a renewable term of one year. They may be removed at any time at the discretion of the Dean after consultation with the host department’s Chair. The deputy chair may not assume the responsibilities of the chair even on a temporary basis unless the department has first followed the procedure set forth in Article II.C.2. of the Governance Plan.

Section 5. Degree Program Directors
Department or program faculty may nominate to the Dean by majority vote of faculty members in the respective department(s) or program(s) an individual from their department to serve as program director for that department or program, as needed. Such directors shall serve three-year renewable terms provided they are reappointed in their underlying faculty title for each year of their term, or are tenured. They may be removed at any time at the discretion of the Dean after consultation with the host department chair(s). Their responsibilities include coordinating departmental offerings for each degree program; serving as liaison with other CUNY degree programs in which SPH students take courses; ensuring the academic quality and integrity of each degree program is maintained; and consulting students, employers and others about cross-cutting issues affecting each degree program and making recommendations based on their findings.

ARTICLE III. GOVERNANCE COUNCIL

Section 1. Procedures

1.1. Attendance of all voting members at Governance Council meetings is expected unless the member is excused by the Governance Council Chair with options for attendance defined by the Steering and Elections Committee. A voting member who fails to attend two meetings during a semester without good cause shown may be recalled by the Steering and Elections Committee. In such case, the resulting vacancy shall be filled in accordance with Articles III.2.e. and III.4 of the Governance Plan.

1.2. To provide SPH faculty and staff with guidance to help resolve SPH or University-related issues or conflicts, the Governance Council may, in consultation with the Dean, elect an ombudsperson from within SPH to offer confidential, neutral, informal and independent guidance. The ombudsperson will serve a three-year renewable term, but may be removed at any time at the discretion of either the Dean or the Steering and Elections Committee after consultation with the other. Specific duties of the ombudsperson shall be articulated in a written position description approved by the Governance Council, which may be amended in the Governance Council’s discretion to best serve the needs of the SPH community.

1.3. The Order of Business at regular Governance Council meetings shall include:
  1.3.1. Call to Order
  1.3.2. Record Attendance
  1.3.3. Approval of Minutes
  1.3.4. Administrative Report
  1.3.5. Any Elections to be Conducted
  1.3.6. Standing Committee Reports
  1.3.7. Temporary and Ad Hoc Committee Reports

The duties of the Parliamentarian appointed pursuant to Article III.6. of the Governance Plan are to ensure that meetings of the Governance Council are conducted in accordance with the latest edition of Robert’s Rules of Order, as prescribed by Article III.5. of the Governance Plan. Any questions or disagreements with respect to the application of the Rules at Governance Council meetings or at meetings of the Governance Council’s committees or subcommittees shall be settled by the Parliamentarian, whose ruling shall be final.

1.5. Minutes of Governance Council meetings shall be disseminated to members no later than two weeks after the meeting at which they are approved. Voting by the Governance Council members on business matters may be recorded in the minutes as raw votes e.g., “on the motion to do x, 30 voted yes, 10 voted no, 2 abstained” with the corresponding percentages of the votes versus the number of voting members present at the meeting included as well e.g., 30/42 would be reported as 71%. A full record of how the members voted must be maintained at SPH and be made available to the public on request. Votes may be made electronically, on paper, by a show of hands, or by voice.

Section 2. Voting Members on Leave or Separating from Service

2.1. Voting members of the Governance Council who are on fellowship leave (sabbatical), temporary disability (sick) leave, an approved leave of absence, or Travia may vote in Governance Council elections and on all business matters for consideration by the Governance Council as a whole. Notwithstanding this provision, the number of members in leave status described in this paragraph shall not be considered when calculating the number of members needed for a quorum.

2.2. Voting members who have submitted their resignations or received notice of non-reappointment are excluded from voting.

2.3. Voting for the election of student members to the Governance Council shall be limited to matriculated students within the same department or degree program as the nominee.

Section 3. Election Processes

3.1. Elections of all upcoming vacant faculty and staff positions shall normally be held during the 12th week of every spring term, for service in the following academic year. Vacancies shall be announced at least thirty calendar days prior to elections whenever possible.

3.2. Vacancies in any elected position referenced in the Governance Plan occurring before expiration of the term of office shall be filled by new elections as promptly as possible, in compliance with the Governance Plan and these By-Laws.
3.3. Election shall be by a majority of those eligible to vote.

3.4. In accordance with Board policy (Section 9.1.b.), and unless further modified by the Board, all elected terms for department chairs shall be for three years and shall begin on July 1 and end on June 30 of the designated last year of service. For all other elected positions within SPH’s governance structure, terms shall be based on the academic calendar, beginning on the first day of the fall term and ending on the last day of the spring term preceding commencement. For good cause shown, terms may be extended into the faculty annual leave period, at the request of the Dean or the Steering and Elections Committee.

3.5. All voting for elected positions shall be by closed, written or electronic ballot. Voting on business matters before the Governance Council must comply with the New York State Open Meetings Law and the Freedom of Information Law and are therefore open to the public. Such members will need to withdraw from participation and voting for the entire academic year during which their case is reviewed and voted upon.
