The fast and easy way for international students to make payments

Paying tuition and fees in your local currency is easy on the GlobalPay for Students platform*.

This fast and reliable service allows you to track your payment and see that it arrives on time and in full.

Choose your preferred payment option to easily pay online or in person at your bank.

* Services to customers may not be available in all countries, territories and currencies. Convera accepts payments and provides foreign exchange services on behalf of its educational institution clients and not as a payment service provider for student payors. Please note that some payment options may not be available through your institution's platform.
