Public Safety Authority

The CUNY Graduate School of Public Health and Health Policy's main campus building is patrolled during regular business hours by Public Safety Officers. Public Safety Officers are sworn law enforcement/NYS Peace Officers under Criminal Procedure Law 2.10 subsection 79 and have the power to make arrests in compliance with New York State Criminal Procedure Law Peace Officers Law. Officers also participate in continual in-service training to maintain state compliance. At the Graduate School of Public Health and Health Policy, incidents of a criminal nature that are reported to a Peace Officer are referred, with the complainant's consent, to the New York City Police Department. The Public Safety Department conducts administrative investigations involving CUNY policies, rules and regulations. These investigations may involve students, staff, and visitors on college property. Appropriate referrals necessitating further review and action may be made to Student Affairs and/or Human Resources.

The Department consists of one Director, one Lieutenant and five Peace Officers assigned to fixed posts and patrol duties. Additionally, the college employs two Campus Security Assistants who are also assigned to fixed posts and patrol duties and one Campus Security Specialist who also serves as an equipment specialist for access control, ID cards, and surveillance systems. These Officers are licensed as NYS Licensed Security Guards and do not have arrest powers (outside of the powers of a private citizen).

In addition, 55 West 125th Street has contract security officers supplied by building management in the lobby to serve as an additional layer of screening and protection. Building management also employs Fire Safety/Emergency Action Plan Directors as required by New York City Law to monitor fire alarm systems and coordinate emergency evacuations and responses.

At the CUNY Graduate School of Public Health and Health Policy, incidents of a criminal nature that are reported to a Campus Peace Officer are referred, with the complainant's consent, to the New York City Police Department. The City University of New York and the CUNY Graduate School of Public Health and Health Policy have Memorandums of Understanding with the NYPD for emergency, nonemergency and investigative response.

Public Safety also oversees an electronic intrusion alarm and closed-circuit television (CCTV) system designed to protect various parts of the building. The fire alarm system is controlled by facilities and security services personnel hired by building management.

Confidential Reporting Options

The School recognizes the importance of confidentiality to victims and witnesses of crimes. If you are the victim of or a witness to a crime and do not want to pursue action within the University system or the criminal justice system, you may still want to consider making a confidential report. With your permission, a Public Safety officer can file a report on the details of the incident without revealing your identity (except if the incident involves allegations of Sexual Misconduct, which Public Safety employees must report to the Title IX Coordinator). The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to enhance the future safety of yourself and others. With such information, the CUNY Graduate School of Public Health and Health Policy can keep accurate records and determine crime patterns with regard to locations, methods, assailants and victims; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution. Pastoral and professional counselors are encouraged to refer persons they are counseling to report crimes to Public Safety on a voluntary, confidential basis for inclusion in the annual security report by following this procedure.

Civilian Complaints

A proper relationship between the Office of Public Safety and the college community, fostered by trust and confidence, is essential to a successful security and safety program. In order for us to better understand the community's perception of our service; it is important that we investigate any allegation of inappropriate officer conduct. Your criticisms and constructive suggestions for improvement are welcome. Each complaint will be thoroughly investigated and appropriate corrective action will be taken when warranted. You can file a complaint with Public Safety Lieutenant (Rm. 820, 646-364-9571) or by calling the Graduate Center's Director of Public Safety at 212-817-7761.

In a case where an officer is alleged to have committed an illegal or criminal act, the complaint can be made to the New York City Police Department and/or the Director of Public Safety.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous conviction of the offender. The purpose of this policy is to establish emergency response and evacuation procedures for the CUNY Graduate School of Public Health as required by the Higher Education Opportunity Act of 2008. This policy applies to all students and employees of the CUNY Graduate School of Public Health and Health Policy.

The CUNY Graduate School of Public Health and Health Policy's Emergency Response Team is comprised of representatives from the following departments: Academic and Faculty Affairs, Administration, Communications, Facilities, Human Resources, Information Technology, Public Safety and Student Affairs. For the purposes of this policy, a significant emergency or dangerous situation involves an immediate threat to the health or safety of students or employees occurring on campus. In the event of an emergency, The CUNY Graduate School of Public Health and Health Policy will initiate and provide, without delay, immediate notifications to the appropriate segment(s) of the college community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employees and visitors.

CUNY Alert

All students, as well as faculty and staff are strongly encouraged to participate in the CUNY Alert system. The CUNY Alert system is designed to give you immediate and up-to-date information regarding weather, utility and emergency situations. The system can contact you and family or friends, as you designate, via text message, cell phone, landline and/or e-mail. The system can offer all methods of notice, a single method or any combination. It is user friendly and can prove to be invaluable before, during and after an emergency. Simply log onto www.cuny.edu/alert and follow the instructions. Contact information for all registered students and employees is included in the CUNY Alert system, except for the contact information for those students who affirmatively choose to opt out of receiving CUNY Alert messages. If you have trouble accessing or modifying your contact information in CUNY Alert, please come to the IT help desk.

The system is activated via a web-based system controlled by the New York State Office of Emergency Management. CUNY Alert is the CUNY branded emergency alert system that is based on the NY Alert system operated by the New York State. CUNY makes every effort to inform affected CUNY Alert registered users of an emergency in a timely and appropriate manner. However, please be aware that CUNY is not responsible for, outdated or incorrect subscriber information, technical limitations such as overtaxed communications systems, transmission errors, and cellular telephone roaming and out of range areas that may delay, block, or prevent, the communications of messages to certain users. CUNY also is not responsible for any costs incurred by the user for any alert received or for any actions taken or not taken by the user or any third party in reliance of an alert.

CUNY is committed to respecting your privacy. In order to personalize your CUNY Alert settings, you must sign in at [CUNY Alert – The City University of New York](http://www.cuny.edu/alert). We do not collect any personal information about you unless you provide that information voluntarily. Any personal information you choose to provide us will only be used by CUNY to conduct official CUNY business. CUNY does not sell, rent, loan, trade or lease personal information collected on this site. For more information about the CUNY privacy policy, please visit <http://www.cuny.edu/website/privacy.html>.

CUNY Alert users are responsible for keeping their contact information current. In the event that phone alert, email or SMS messages are not found or rejected for incorrect or expired information during a live alert, CUNY reserves the right to delete the problem entry or to deactivate a user's account. As used in this policy, authorized Public Safety personnel are the Graduate Center's Director of Public Safety and CUNY Graduate School of Public Health and Health Policy Lieutenant, Peace Officers and Campus Security Assistant. The Sr. Associate Dean of Administration and the Assistant to the Dean have also been trained in the use of the emergency notification system.

Emergency Notification Procedures

Any individual on campus who has information about an emergency or dangerous situation that may affect the CUNY Graduate School of Public Health and Health Policy should notify the Office of Public Safety as soon as possible. The CUNY Graduate School of Public Health and Health Policy will initiate and provide, without delay, emergency notifications to the CUNY Graduate School of Public Health and Health Policy community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employees and visitors occurring on the campus.

The CUNY Graduate School of Public Health and Health Policy Office of Public Safety is responsible for confirming emergencies, in conjunction with the CUNY Graduate School of Public Health and Health Policy administrators, local first responders, and/or the National Weather Service, that may warrant the distribution of an emergency notification to the CUNY Graduate School of Public Health and Health Policy community.

Emergency notifications for incidents that may pose an immediate threat to health and safety will be made, without delay, unless issuing a notification will, in the professional judgment of responsible authorities and taking into account the safety of the CUNY Graduate School of Public Health and Health Policy community, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Timely Warnings

The Timely Warning Notice specifically related to compliance with the Clery Act, requires colleges and universities to notify students and employees whenever there is a threat that a serious crime is ongoing or may be repeated – so that campus community members can protect themselves from harm. The Clery Act defines certain specific crimes that require a timely warning notice be issued when crimes are reported to Campus Security Authorities (CSAs) with significant responsibility for student and campus activities, campus safety, or police AND the reported crime(s) are believed to have occurred on campus, in or on non-campus buildings or property, or on public property contiguous to the campus.

Campus officials not subject to the timely warning reporting requirement include licensed or certified professional counselors and recognized pastoral counselors who are functioning in the role of providing confidential counseling to members of the CUNY Graduate School of Public Health and Health Policy community on behalf of the institution.

The Office of Public Safety issues safety alert bulletins when deemed necessary and provides Timely Warning Notices via email to the campus community when crimes that present a serious or continuing threat occur in areas on or near the campus. Therefore, you should report crimes to the Office of Public Safety immediately so it can be properly evaluated. Timely Warning Notices will be distributed as soon as practicable, with the goal of preventing a similar occurrence. The identities of victims and witnesses will not be included in the Timely Warning Notice. All persons reporting crimes to the Office of Public Safety are also encouraged to promptly report the incident to the local police precinct concerned. A record of each report made to the local precincts is kept as part of the Office of Public Safety's annual statistical report.

Immediate Notifications

Unless such notice and warning compromise the containment of an emergency, or would likely result in an expansion or exacerbation of an emergency, immediate notification of an emergency will take place through one, or a combination of the following methods: CUNY-Alert, public address system announcements, campus-wide emails and college web-site notices. The CUNY Graduate School of Public Health and Health Policy Lieutenant or his/her designee and building Fire Safety/Emergency Action Plan Directors are authorized to make such announcements. Again, please note that a circumstance may arise in which it would not be prudent or appropriate to issue an immediate notification if such release would compromise efforts to contain the emergency.

Emergency Response and Evacuation Procedures

The CUNY Graduate School of Public Health and Health Policy recognizes the importance of an integrated plan to ensure that the mission of education and research will continue in the event of an emergency. The CUNY Graduate School of Public Health and Health Policy Emergency Operations Plan establishes policies and procedures and assigns responsibilities to ensure the effective management of campus operations during emergency situations. Additionally, it provides direction for disseminating emergency public information, establishing emergency communications, alerting and warning procedures, assessing and reporting damage and developing recovery strategies. The main goal is the preservation of life, protection of property, and the continuity of campus operations.

Testing of Emergency Response and Evacuation Procedures

Building Management conducts two fire drills and one emergency action plan drill each year as required by local law. The CUNY Graduate School of Public Health and Health Policy participates in these drills. During these drills, building occupants are familiarized with campus evacuation procedures. Each floor has assigned fire/evacuation wardens who provide direction to the college community during drills and actual emergency

events. These drills will be evaluated in order to assess and improve our emergency response capabilities. The college community will be notified of the drills in advance via community-wide emails. Other portions of the CUNY Graduate School of Public Health and Health Policy's Emergency Operations Plan, including emergency notifications, will be tested and evaluated at least once a year through announced and unannounced exercises.

Emergency Procedures

Reporting an Emergency - An emergency can be reported in the following ways:

- Call x40272 to contact Public Safety during operating hours.
- Call 911 to report emergencies directly to the New York City Police, Fire and/or Emergency Medical Services. If calling 911 while on campus, also call Public Safety at x40272 so the emergency response can be expedited.
- For smoke or fire, pull the Fire Alarm Pull Boxes, which are bright red in color, located adjacent to all fire exits. Lifting the cover and pulling down the handle activates the alarm. A signal is sent to the fire command station in the building's main lobby and to a central dispatch station that notifies the FDNY. When pulled, this device will also activate an audible fire alarm on the floor where pulled and the floor above.

Evacuations - Know your escape route using the building's fire exits and fire stairs in advance (you should know your escape routes well enough to be able to make your way in the dark or in dense smoke). Also, be prepared to use an alternate exit in case your primary route is obstructed. Remain calm and proceed to evacuate the area in an orderly manner. Rely on planning and knowledge, do not rush, push or panic. Listen for instructions from Fire Wardens, Public Safety Officers and the Fire Safety/Emergency Action Plan Director (via public address announcements). Do not use an elevator to evacuate unless directed to do so by emergency service personnel.

In-building relocation - In-building relocation is the controlled movement of building occupants from an endangered area of a building to an in-building relocation area within the same building in response to an emergency.

Sheltering-in-Place - Sheltering-in-place simply means seeking immediate shelter inside a building. This course of action may be necessary during a release of toxic chemicals, biological agents or radiation to the outside air. When air quality may be threatened, sheltering in place keeps you inside an area offering more protection. Sheltering-in-place may also be used during civil unrest, severe weather or other emergencies. Stay inside the building and close all doors and windows. Seal off openings to your room if possible. Do not use elevators as they may pump air through the building. Remain in place until you are told that it is safe to leave.

Fire -In case of fire or visible smoke, pull the nearest fire alarm; call NYFD at 911 and/or Public Safety at x40272. Prepare to evacuate immediately upon the sounding of any fire alarm and alert those in the immediate area of the danger. Follow the instructions given by the Fire Safety/Emergency Action Plan Director, Fire Wardens and Public Safety personnel. Before opening any door, touch the door with the back of your hand and do not open a door that is warm or hot. Close doors behind you to prevent fire spread, but make sure that you can reopen them if you need to retreat. Use stairs and not elevators. Help those less able and persons in wheelchairs to smoke free stairwells: Report their location and condition to NYFD and college public safety personnel. Do not remove any person from a wheelchair or attempt to carry or negotiate wheelchairs with people up or down the steps. When at other colleges, comply with posted or announced fire instructions.

Active Shooter/Hostile Intruder - When an intruder is actively causing deadly harm or presents the threat of imminent deadly harm to people, immediately seek cover and if possible, contact 911 and the Public Safety at x40272. Only call 911 and Public Safety when it is safe to do so. Give as many details as possible regarding location, number of assailants, means of aggression and other pertinent information. The U.S. Department of Homeland Security recommends the following course of action when an active shooting is taking place.

- **EVACUATE** - if you can safely do so and run as fast as you can. Have an escape route and plan in mind. If outside, use buildings, trees, shrubs, and cars as cover. Leave your belongings behind. If you can get away from the immediate area of danger, summon help and warn others.
- **HIDE** - If you decide to hide, take into consideration the area in which you are hiding. Hide where you are out of the aggressor's view. Stay as quiet and calm as possible and silence all electronic devices. Block entry to your hiding place and lock the doors if possible.
- **TAKE ACTION** - Only do this as a last resort and only when your life is in imminent danger. If you choose to confront the aggressor, use all manner of materials at hand as weapons, including books, chairs, or any object near at hand. Act with physical aggression and throw items at the aggressor. You can choose to play dead if other victims are around you. Do not give your position away or stand-up until Public Safety or police give an "all-clear" signal.

Alcohol and Drug Abuse Crisis - An alcohol and drug abuse crisis can result from ingesting substances haphazardly or beyond an individual's normal ability to cope with the ingested amount or the consequence. An alcohol or drug overdose can be rapidly fatal. Call Public Safety at x40272 to request an ambulance if a person is: 1.) poorly responding to stimuli, 2.) unconscious, 3.) having difficulty breathing, 4.) out of control and a potential danger to self or others, or 5.) if you are not sure about the physical well-being of the person. Before approaching or touching the person having an alcohol or drug abuse crisis, identify yourself to the individual and explain what you intend to do. Talk calmly in a non-challenging manner and orient individual to time, place, and condition if needed. Try to find out what the individual has consumed and how much, including whether alcohol was mixed with other drugs (prescription medication or illegal drugs) so responding emergency personnel can be informed. Make certain someone stays with individual. If the individual wishes to lie down, have person lie on his/her left side to avoid asphyxiation. If the person is convulsing, do not attempt to put any object in the mouth and do not restrain. People who are under the influence of alcohol/drugs can be irrational and/or dangerous. Never put yourself at physical risk.

Accidents, Illness and Injuries - Students and employees experiencing or witnessing illness or injury should immediately call Public Safety at x40272. Also, call 911 if the condition is serious and notify Public Safety so they can expedite the emergency medical personnel's response. Employees should notify their supervisor or the Director of Human Resources as appropriate. Hazards should be reported immediately.

Bomb Threats - If a suspicious package is found do not move, jar, touch, tamper or interfere with the object or anything attached to it. Report the location and an accurate description of the object to Public Safety at x40272. If it is determined that an evacuation is necessary, bomb threat evacuations at the CUNY Graduate School of Public Health and Health Policy will follow a procedure similar to the one used for fire evacuations. Take personal belongings such as purses, briefcases, knapsacks and shopping bags with you so they are not confused with suspicious packages by those conducting a bomb search. Know your escape route in advance. Also, be prepared to use an alternate exit in case your primary route is obstructed. Pay attention to all alarms and public address system announcements. Follow instructions given by Fire Wardens, Searchers, Public Safety, NYPD and FDNY personnel. Never use an elevator to evacuate unless directed to do so by the Fire Department. Once outside, move well away from the building, especially away from windows.

Chemical or Biological Attack - Protection of breathing airways are the single most important thing a person can do in the event of a chemical or biological incident or attack. In most cases, absent a handy gas mask, the only sure way to protect an airway is to put distance between you and the source of the agent. While evacuating the area, cover your mouth and nose with a handkerchief, coat sleeve or any piece of cloth to provide some moderate means of protection. Other basic steps one can take to avoid or mitigate exposure to chemical or biological agents include staying alert for attack warning signs and moving upwind from the source of the attack. If evacuation from the immediate area is impossible, move indoors (if outside) and upward to an interior room on a higher floor. Many agents are heavier than air and will tend to stay close to the ground. Once indoors, close all windows and exterior doors and shut down air conditioning or heating systems to prevent circulation of air. Cover your mouth and nose. If gas masks are not available, use a surgical mask or a handkerchief. An improvised mask can be made by soaking a clean cloth in a solution of 1 tablespoon of baking soda in a cup of water. While this is not highly effective, it may provide some protection. Cover bare arms and legs and make sure any cuts or abrasions are covered or bandaged. If splashed with an agent, immediately wash it off using copious amounts of warm soapy water. If in a car, shut off outside air intake vents and roll up windows if no gas has entered the vehicle. Late model cars may provide some protection from toxic agents. In any case of suspected exposure to chemical or biological agents, no matter what the origin, medical assistance should be sought as soon as possible, even if no symptoms are immediately evident.

Elevator Failure - Elevators have mechanical safety brakes that will operate even during power failures. Use the emergency telephone located in the front of the elevator cab to call lobby security. Inform security if a medical emergency exists. Remain calm and try to keep other occupants calm.

Flooding or Plumbing Failure - Stop all use of electric equipment. Call Public Safety at x40272. Evacuate the area if necessary.

Gas Leaks - Cease all operations and notify Public Safety at x40272. Public Safety will contact Facilities Services and outside emergency response agencies if necessary. Exit the area immediately. To avoid sparks, leave all electrical equipment, i.e. lights, computers, appliances, etc., as is. Electrical arcing can trigger an explosion.

Hostage Situation - A hostage situation is said to exist when a person(s) is held or confined against his or her will by one or more individuals. This can occur with or without force or the threat of force and with or without a weapon. Usually, certain demands are made in return for the release of the hostage(s). Hostage takers can be terrorists, fleeing felons, emotionally disturbed persons and past or present disgruntled employees. It should be noted that the CUNY Graduate School of Public Health and Health Policy Safety personnel are unarmed and will require the assistance of the NYPD in all hostage situations.

If you are a witness to a hostage situation, notify Public Safety at x40272 immediately and be prepared to tell the officer the following: the location of the incident, description of the hostage taker(s), type(s) of weapons used (handgun, shotgun, knife, explosive, etc.), number of hostages and if anyone has been injured. Alert others in the immediate area of the situation and evacuate from the area. If you are unable to evacuate safely, lock and close your door until notified by NYPD that it is safe to leave. If you are taken hostage, remain calm, be patient and avoid drastic action. Follow the hostage taker's instructions. Do not speak unless spoken to. Avoid arguments. Stay alert and be observant. You may be released or escape. The personal safety of others may depend on your memory. Be prepared to answer the police on the telephone.

Mental Health Crisis - A psychological crisis exists when an individual is threatening harm to himself/herself or to others, or is out of touch with reality due to a severe drug reaction or a psychotic break. Hallucinations, uncontrollable behavior, or complete withdrawal may manifest a psychotic break. To report a psychological crisis, call Public Safety at x40272 and tell the officer the following: 1.) your name, 2.) your location, 3.) the nature and location of the incident, and (4. clearly state that you need immediate assistance. If it is safe to do so, stay on the line until an officer arrives. Never try to deal with a potentially dangerous situation by yourself. Report any suicide attempt to Public Safety so that proper procedures may be followed in order to ensure the safety of the victim.

Power Failure - If you are in an area where power has failed, call Public Safety at x40272 and give your name, location and department. Describe the nature of the problem and any additional locations that are without power. If the power failure occurs during daylight hours, open blinds and doors to maximize available outside light. The CUNY Graduate School of Public Health and Health Policy is equipped with emergency lighting. If the lights are out, proceed cautiously to an area that has emergency lights. If you are trapped in an elevator, remain calm and use the emergency telephone or call button. Should an electrical or mechanical systems failure occur in the building, it may become necessary to evacuate the facility. Public Safety will seek input from Facilities prior to making a decision. Public Safety personnel will advise you when to evacuate the building. If requested, evacuate the building immediately. After evacuating from the building move away from the building's entrance. Assist persons with disabilities in exiting the building.

Radiation Attack - A radiation threat or "Dirty Bomb" is the use of common explosives to spread radioactive materials over a targeted area. It is not a nuclear blast. The force of the explosion and the radioactive contamination will be more localized. While the blast will be immediately obvious, the presence of radiation will not be clearly defined until trained personnel with specialized equipment are on the scene. As with any radiation, you want to try to limit exposure. To limit the amount of radiation you are exposed to, think about shielding, distance and time. If you have a thick shield

between yourself and the radioactive material more of the radiation will be absorbed, and you will be exposed to less. The farther away you are from the blast and the fallout the lower your exposure. Minimizing time spent exposed will also reduce your risk.

As with any emergency, local authorities may not be able to immediately provide information on what is happening and what you should do. However, you should watch TV, listen to the radio, or check the Internet often for official news and information as it becomes available. The CUNY Graduate School of Public Health and Health Policy will activate its Emergency Operations Plan if such an attack takes place in or around our building and responses will vary depending on the exact location of the attack.

Other Life-Threatening Emergencies - Call NYPD or EMS at 911 and/or Public Safety at x40272. Public Safety personnel will assist and coordinate emergency response forces. CUNY Graduate School of Public Health and Health Policy peace officers, and campus security assistants are not armed, and are not emergency medical technicians. The NYPD and Emergency Medical Service are called upon to perform these functions.

Publication of Emergency Procedures

Emergency response and evacuation procedures are reviewed, revised and updated as needed and published annually via the Annual Security Report. Additional information can be found at [Public Safety - CUNY Graduate School of Public Health & Health Policy, 55-West-125-St-Emergency-Action-Plan.pdf \(cuny.edu\)](#) and <https://www.gc.cuny.edu/public-safety-and-security/emergency-procedures-handbook>.

Note on all emergency notifications: When in the considered opinion of university, college, or civil authorities, dissemination of information on a given emergency may hinder or cause additional harm, such notification may be delayed until such time that it is safe to do so.

Crime Prevention & Security Awareness Programs

The Office of Public Safety takes the following preventative measures in an attempt to limit criminal activity: screening visitors, issuing ID cards, controlling access, monitoring closed circuit television cameras and other electronic security systems, patrolling the building, inspecting infrastructure such as doors, locks, lighting and alarm systems, responding to incidents and conducting investigations. CUNY Graduate School of Public Health and Health Policy ID and access policies are designed to enhance crime prevention. Public Safety maintains a file of orders of protection and security alerts (along with photographs when available), instructing officers to deny access to individuals who have caused problems within the college or have harassed members of the CUNY Graduate School of Public Health and Health Policy Safety outside of the building. Victims of sexual assault, sexual harassment, domestic/dating violence and stalking are offered escorts to nearby subway stations. Public Safety management regularly meets with the 28th Precincts and a regular review of NYPD crime reports for the area surrounding the colleges keeps us apprised of area crime trends. Directed security patrols are utilized during periods of higher risk.

All students receive information about Title IX, CUNY's Sexual Misconduct Policy and awareness and prevention of sexual misconduct (as defined in CUNY's Policy on Sexual Misconduct) during the boot camp held during the first week of class each August. The CUNY Graduate School of Public Health and Health Policy uses the SPARC/Title IX online training program to inform students about sexual assault, relationship violence, stalking, and sexual harassment.

Employees are required to take E-SPARC online training program that covers sexual assault, relationship violence, stalking, and sexual harassment annually.

Community-wide emails containing crime prevention information are sent to students, staff and faculty whenever an incident takes place that poses an ongoing threat to the college community. Personal safety tips can be found at [Microsoft Word - CUNY SPH Public Safety Personal Safety Tips.docx](#). The CUNY Graduate School of Public Health and Health Policy community can also utilize the Graduate Center's Public Safety crime prevention guide that offers tips on how to avoid becoming a victim of crimes that are likely to occur on and off campus. It can be viewed at <http://www.gc.cuny.edu/About-the-GC/Resources-Services/Security-Public-Safety/Crime-Prevention-Guide>.

Targeted crime prevention presentations are also given to individual departments when there is a specific crime or safety related issue effecting that department. Arrangements can be made for specialized group presentations and individual consultation or counseling via the Office of Public Safety (Room 820, 646-364-9571).

The CUNY Graduate School of Public Health and Health Policy is proud of its safety record and remains committed to providing a safe and secure environment that is conducive to education and research. However, crime prevention is a shared responsibility that requires the assistance of our students, staff and faculty. By practicing the precautions outlined below, you can greatly reduce the odds of becoming a victim of crime, either on or off campus. Actual and attempted violent crime, including sex crime is virtually unknown on the CUNY Graduate School of Public Health and Health Policy campus. However, the possibility cannot be excluded. Accordingly, use general prudence, avoid isolated areas, and report suspicious observations to Public Safety (x40272).

On Campus - Actual and attempted violent crime, including sex crime is virtually unknown on the CUNY Graduate School of Public Health and Health Policy's campus. However, the possibility cannot be excluded. Accordingly, use general prudence, avoid isolated areas, and report suspicious observations to Public Safety (x40272). While on-campus purse snatchings are unknown and pick pocketing is rare, the theft of unattended laptop computers, purses, pocketbooks, and wallets and their contents is not unheard of. Under no circumstances should cash, credit cards, garments, or other valuables be left unattended or in offices or furniture - nor should office or furniture locks be relied upon.

Off Campus - Local area crime is not within the CUNY Graduate School of Public Health and Health Policy's jurisdiction but we maintain liaison with the police and a neighborhood association to monitor trends and exercise influence. General rules of urban area prudence must be followed day and night, including:

- Avoid under populated or dark areas.
- Keep distant from building facades particularly avoiding empty storefronts.
- Cross the street rather than walk under construction scaffolding or through confined routes particularly during hours of darkness.
- Use corner rather than mid-block subway entrances.
- Be alert to street "scams" (e.g. clustered bystanders, unsolicited help with "accidental" spills, feigned distress, groups asking for directions, dropped money, or other opportunities for profit through "good faith" deposits, gambling, winning ticket cashing or other unusual or illicit enterprises).
- Be aware that jewelry, luggage, furs, cameras, camcorders, laptops, smartphones, cash and other conspicuous valuables including expensive portfolios and briefcases may increase robbery risks.
- Wear or hold pocketbooks and equipment straps so that they quickly release in the event of an attempted snatch by running or mobile persons: Wearing them across the body, around the neck or wound around the hand can expose the wearer to the risk of serious injury.

Elevators - When waiting for an elevator, stand away from the door to avoid being pushed inside by someone nearby, but unseen. Do not get on an elevator occupied by a person or persons who make you feel uneasy. If you begin to feel uncomfortable, get off at the next floor. Always stand near the control panel and the emergency phone. If you are accosted in an elevator hit the alarm button and as many floor buttons as possible so the elevator will stop and the doors will open.

Data: Back up data files frequently and keep secure. Carefully follow Office of Information Technology guidelines for passwords, anti-virus protection and data backup. Data transmitted over the Internet or other networks may be subject to interception/intrusion, inspection, manipulation or destruction by sophisticated remote attack or equipment malfunction. Promptly report any data or computer irregularities, including virus detections, to the Office of Information Technology Help Desk at 646-364-9555.

Laptops - Treat your laptop as though it was cash. If you would not place a hundred-dollar bill on your desk while out to lunch, do not do it with a laptop either. Always secure your laptop in a locked desk or cabinet when not in use. When traveling in a car, do not leave your laptop on the seat next to you. Keep it out of sight in the trunk or place it under the passenger seat. If you park your vehicle and cannot take the laptop with you, make sure that it is locked in the trunk prior to reaching your destination. Be alert to unfamiliar persons in your work area and immediately report suspicious persons to the Office of Public Safety at x40272.

Pickpocket Theft Prevention - Do not be distracted by strangers seeking directions. Be wary when someone tells you that there is something on your clothing such as a condiment when you have not come from an eating establishment. Do not carry valuables in a shoulder bag and do not let the bag hang behind you. Keep the flap to the purse close to your body. Try to carry a purse that has a zipper or locking device of some sort. Carry your wallet in your front or breast pocket. Be wary of people who drop things in front of you, such as change or keys. Keep handbags on your lap and keep your hand on it at all times while on public transportation. Be careful of the person who shoves or pushes you while trying to get to the rear or front of a bus or subway car.

Personal Safety in Your Car - Always lock your car after entering and exiting it and try to park in a well-lighted space. Before getting in your car, check the front and back seats to make sure no one is hiding inside. Do this even if your car is locked. Have your keys in hand, so you do not have to linger before entering the car and be aware of your surroundings. Do not offer rides to strangers. If you suspect that someone is following you, drive to the nearest open public place and sound your horn.

University Policy Relating to Drugs and Alcohol

The City University of New York ("CUNY") is an institution committed to promoting the physical, intellectual, and social development of all individuals. As such, CUNY seeks to prevent the abuse of drugs and alcohol, which can adversely impact performance and threaten the health and safety of students, employees, their families, and the general public. CUNY complies with all federal, state, and local laws concerning the unlawful possession, use, and distribution of drugs and alcohol. Federal law requires that CUNY adopt and implement a program to prevent the use of illicit drugs and abuse of alcohol by students and employees. As part of its program, CUNY has adopted a policy, which sets forth (1) the standards of conduct that students and employees are expected to follow; (2) CUNY sanctions for the violation of this policy; and (3) responsibilities of the CUNY colleges/units in enforcing this policy. CUNY's policy also (1) sets forth the procedures for disseminating the policy, as well as information about the health risks of illegal drug and alcohol use, criminal sanctions for such use, and available counseling, treatment, or rehabilitation programs, to students and employees; and (2) requires each college to conduct a biennial review of drug and alcohol use and prevention on its campus. This policy applies to all CUNY students, employees and visitors when they are on CUNY property, including CUNY residence halls, as well as when they are engaged in any CUNY-sponsored activities off campus.

Who Needs to Know this Policy?

All CUNY senior management, students, prospective students, employees, and prospective employees.

CUNY Standards of Conduct

The unlawful manufacture, distribution, dispensation, possession, or use of drugs or alcohol by anyone, on CUNY property (including CUNY residence halls), in CUNY buses or vans, or at CUNY sponsored activities is prohibited. In addition, CUNY employees are prohibited from illegally providing drugs or alcohol to CUNY students. Finally, no student may possess or consume alcoholic beverages, regardless of whether the student is of lawful age. In order to make informed choices about the use of drugs and alcohol, CUNY students and employees are expected to familiarize themselves with the information provided by CUNY about the physiological, psychological, and social consequences of substance abuse.

CUNY Sanctions

Employees and students who violate this policy are subject to sanctions under University policies, procedures and collective bargaining agreements as described below. Employees and students should be aware that, in addition to these CUNY sanctions, the University will contact appropriate law enforcement agencies if they believe that a violation of the policy should also be treated as a criminal matter. However, students should also be aware of CUNY's Drug/Alcohol Use Amnesty Policy, described below.

Students

Students are expected to comply with the CUNY college policies with respect to drugs and alcohol. Any student found in violation may be subject to disciplinary action under Article 15 of the Bylaws of the Board of Trustees, which may result in sanctions up to and including expulsion from the University. In addition, any student who resided in a CUNY residence hall and who is found to have violated any CUNY or college policy with respect to drugs and alcohol may be subject to sanctions under the CUNY Residence Hall Disciplinary Procedures, up to and including expulsion from the residence hall. In lieu of formal disciplinary action, CUNY may, in appropriate cases, seek to resolve the matter through an agreement pursuant to which the student must see a counselor or successfully participate in a drug and alcohol treatment program. In accordance with Federal Education Rights and Privacy Act ("FERPA"), CUNY may also choose—when appropriate—to contact parents or legal guardians of students who have violated the CUNY policy on drugs and alcohol.

Standards that clearly prohibit the unlawful possession, use, sale or distribution of illicit drugs and alcohol on college property or as part of any school activities can be found at [CUNY Policy on Drugs and Alcohol](#).

Employees

Any employee found to have violated this CUNY policy may be subject to disciplinary action, in accordance with the procedures set forth in applicable CUNY policies, rules, regulations, and collective bargaining agreements. Sanctions may include a reprimand, suspension without pay, or termination of employment. In lieu of formal disciplinary action, CUNY may, in appropriate cases, seek to resolve the matter through an agreement pursuant to which the employee must successfully participate in a drug or alcohol treatment program. Standards that clearly prohibit the unlawful possession, use, sale or distribution of illicit drugs and alcohol on college property or as part of any school activities can be found in the employee handbook at [CUNY Policy on Drugs and Alcohol](#).

Drug/Alcohol Use Amnesty Policy

CUNY encourages students to seek medical assistance related to drug and/or alcohol use without fear of being disciplined for such use. CUNY also encourages students under the influence of drugs and/or alcohol who may be the victims of, witnesses to, or otherwise become aware of violence (including but not limited to domestic violence, dating violence, stalking, or sexual assault) or sexual harassment or gender-based harassment to report that violence or harassment. Students who in good faith call for medical assistance for themselves or others and/or who receive medical assistance as a result of a call will not be disciplined for the consumption of alcohol or drugs as long as there are no other violations that ordinarily would subject the student to disciplinary action. Similarly, students who may be the victims of, witnesses to, or otherwise become aware of violence or sexual harassment or gender-based harassment and who report such violence or harassment will not be disciplined for the consumption of alcohol or drugs in the absence of other violations that ordinarily would subject the student to disciplinary action. However, if you are involved in the distribution of illegal drugs, sexual misconduct, causing or threatening physical harm, hazing or damage to property, amnesty may not apply. Information for the CUNY Community on the Risks and Consequences of Drug and Alcohol Use

Background

The City University of New York's Policy on Drugs and Alcohol, adopted by the Board of Trustees on June 22, 2009, prohibits the unlawful manufacture, distribution, dispensation, possession, or use of drugs or alcohol by employees, students or visitors, on CUNY property, in CUNY buses or vans, or at CUNY-sponsored activities. It prohibits all students (regardless of their age) from possessing or consuming alcoholic beverages in CUNY residence halls. It also prohibits CUNY employees from illegally providing drugs or alcohol to CUNY students.

As the Policy states, sanctions for violation of the Policy, following appropriate disciplinary proceedings, may include, in the case of students, expulsion from the university, and in the case of employees, termination of employment. This document sets forth additional information required to be provided under federal law, including the legal sanctions for drug and alcohol use, health risks of such use, and information regarding available counseling, treatment, or rehabilitation programs.

Legal Sanctions

Federal and New York State laws make it a criminal offense to manufacture, distribute, dispense, possess with intent to distribute, or simply possess a controlled substance. Such substances include heroin, cocaine, methamphetamine, ecstasy, LSD, PCP, marijuana, and a number of common pharmaceutical drugs if unlawfully obtained. The sanctions for violation of these laws, ranging from community service and monetary fines to life imprisonment, depend upon the particular offense, the drug type, and the drug quantity. Students convicted under these statutes may also forfeit federal financial aid eligibility.

Note that an individual need not be in actual physical possession of a controlled substance to be guilty of a crime. The unlawful presence of a controlled substance in an automobile is presumptive evidence of knowing possession of such substance by each passenger unless the substance is concealed on the person of one of the occupants. Similarly, the presence of certain substances in plain view in a room can sometimes be presumptive evidence of knowing possession of such substance by anyone in close proximity.

Further, pursuant to New York State law:

1. Any person under age 21 who is found to be in possession of alcohol with the intent to consume it may be punished by a fine and/or required to complete an alcohol awareness program and/or to provide up to 30 hours of community service. Alcoholic Beverage Control Law, § 65-c.
2. Giving or selling an alcoholic beverage to a person less than age 21 is a Class A misdemeanor punishable by a sentence of imprisonment up to one year. Penal Law § 260.20
3. Any person who operates a motor vehicle while intoxicated or while his ability to operate such vehicle is impaired by the consumption of alcohol or drugs, is subject to suspension or revocation of driving privileges in the State, monetary fines up to \$1,000, and imprisonment for up to one year. Vehicle and Traffic Law § 1192
4. A person under 21 who presents false written evidence of age for the purpose of purchasing or attempting to purchase any alcoholic beverage may be punished by a fine, community service and/or completion of an alcohol awareness program. Alcoholic Beverage Control Law § 65-b (1). Possessing such false evidence may also be criminal possession of a forged instrument, which is a felony in New York, punishable by a fine of up to \$5000, imprisonment up to 7 years, or both. Penal Law § 170.25.
5. Appearing in public under the influence of narcotics or a drug other than alcohol to the degree that a person may endanger him or herself or other persons or property, or annoy persons in his vicinity, is a violation, punishable by a fine and imprisonment up to 15 days. Penal Law § 240.40

Health Risks

The following is a brief summary of some of the health risks and symptoms associated with use of many of the most-publicized drugs, including alcohol and tobacco. This information was obtained from the National Institute on Drug Abuse (part of the National Institutes of Health of the U.S. Department of Health and Human Services), and the Mayo Clinic. Please note that individual experience such substances in different ways on a variety of physical and psychological factors and circumstances.

- Alcohol - Excessive alcohol consumption can lead to serious health problems, including cancer of the pancreas, mouth, pharynx, larynx, esophagus and liver, as well as breast cancer, pancreatitis, sudden death in people with cardiovascular disease, heart muscle damage leading to heart failure, stroke, high blood pressure, cirrhosis of the liver, miscarriage, fetal alcohol syndrome in an unborn child, injuries due to impaired motor skills, and suicide.

- Cocaine - Cocaine is a powerfully addictive drug. Common health effects include heart attacks, respiratory failure, strokes, and seizures. Large amounts can cause bizarre and violent behavior. In rare cases, sudden death can occur on the first use of cocaine or unexpectedly thereafter.
- Heroin - Heroin is an addictive drug. An overdose of heroin can be fatal, and use is associated – particularly for users who inject the drug – with infectious diseases such as HIV/AIDS and hepatitis.
- LSD (Acid) - LSD is one of the strongest mood-changing drugs, and has unpredictable psychological effects. With large enough doses, users experience delusions and visual hallucinations. Physical effects include increased body temperature, heart rate, and blood pressure; sleeplessness; and loss of appetite.
- Marijuana - Effects of marijuana use include memory and learning problems, distorted perception, and difficulty thinking and solving problems.
- MDMA (Ecstasy) - Ecstasy is a drug that has both stimulant and psychedelic properties. Adverse health effects can include nausea, chills, sweating, teeth clenching, muscle cramping, and blurred vision.
- Methamphetamine - Methamphetamine is an addictive stimulant that is closely related to amphetamine but has long lasting and more toxic effects on the central nervous system. It has a high potential for abuse and addiction. Methamphetamine increases wakefulness and physical activity and decreases appetite. Chronic, long-term use can lead to psychotic behavior, hallucinations, and stroke.
- PCP/Phencyclidine - PCP causes intensely negative psychological effects in the user. People high on PCP often become violent or suicidal.
- Prescription Medications - Prescription drugs that are abused or used for non-medical reasons can alter brain activity and lead to dependence. Commonly abused classes of prescription drugs include opioids (often prescribed to treat pain), central nervous system depressants (often prescribed to treat anxiety and sleep disorders), and stimulants (prescribed to treat narcolepsy, ADHD, and obesity). Long-term use of opioids or central service system depressants can lead to physical dependence and addiction. Taken in high doses, stimulants can lead to compulsive use, paranoia, dangerously high body temperatures and irregular heartbeat.
- Steroids - Adverse effects of steroid use in males may include shrinking of the testicles and breast development. In females, adverse effects may include growth of facial hair, menstrual changes, and deepened voice. Other adverse effects can include severe acne, high blood pressure and jaundice. In some rare cases liver and kidney tumors or even cancer may develop.
- Tobacco/Nicotine - Tobacco contains nicotine, which is highly addictive. The tar in cigarettes increases a smoker's risk of lung cancer, emphysema, and bronchial disorders. The carbon monoxide in smoke increases the chance of cardiovascular diseases. Secondhand smoke causes lung cancer in adults and greatly increases the risk of respiratory illnesses in children.

Substance Abuse

You or someone you know may have a problem with drugs and alcohol if you/they are:

- Using drugs and/or alcohol on a regular basis.
- Losing control of the amount of drugs and/or alcohol used after being high or drunk.
- Constantly talking about using drugs and/or alcohol.
- Believing that drugs and/or alcohol are necessary in order to have fun.
- Using more drugs and/or alcohol to get the same effects as in the past.
- Avoiding people in order to get high or drunk.
- Pressuring others to use drugs and/or alcohol.
- Foregoing activities that were once priorities (i.e. work, sports, spending time with family and sober friends).
- Getting into trouble at school, at work, or with the law.
- Taking risks, including sexual promiscuity and driving while intoxicated.
- Lying about things, including the amount of drugs and/or alcohol used.
- Feeling hopeless, depressed, or even suicidal.

If you suspect that you or someone you know has a problem with drugs and/or alcohol, please utilize the resources listed below.

DRUG AND ALCOHOL PREVENTION PROGRAMS (DAAPP)

On-Campus Alcohol and Substance Abuse Resources

Formal drug and alcohol abuse education programs are not held at the CUNY Graduate School of Public Health and Health Policy. However, The GSPHHP has an online resource available that directs the students to access these services (<http://sph.cuny.edu/student-services/resources/tobacco-alcohol-and-drugs/>). The document detailing the alcohol and drug policy can be obtained at the Office of the Student Affairs at the Graduate School of Public Health and Health Policy located on the 7th floor at 55 West 125th street, New York, N.Y. 10027.

Treatment for addictions typically includes group and individual therapy and can be intensive although specific treatment recommendations are made by the intake clinician. Non-Intensive Outpatient Services are usually recommended for people who have successfully progressed through more intensive inpatient or outpatient services and are now in need of ongoing support, relapse prevention, and/or family counseling. They also provide motivation enhancement therapy for those individuals who are trying to decide whether or not they have a substance use disorder and whether or not they want to commit to a treatment experience. Many insurances are accepted. A sliding scale fee is also available.

Addiction Psychiatry

The Addiction Psychiatry Division is a specialized service for patients who require simultaneous treatment of a psychiatric condition and a substance-related disorder. Each of these disorders can serve as a barrier to effective treatment of the other. Psychiatric medications and therapies may be rendered ineffective by coexisting drug/alcohol abuse. *For more information on these addiction services, please call the following numbers:*

SEXUAL MISCONDUCT

Reporting and Prevention of Dating Violence, Domestic Violence, Sexual Assault and Stalking

CUNY prohibits the offenses of dating violence, domestic violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the university community. Toward that end, the CUNY Graduate School of Public Health and Health Policy issues this statement of policy to inform the campus community of our programs to address domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged reports. The City University of New York Policy on Sexual Misconduct is attached to the end of this report. The Policy can also be accessed by clicking the following link: [CUNY Sexual Misconduct Policy](#).

Allegations of sexual misconduct, including sexual assault, sexual harassment, stalking, or domestic, dating and intimate partner violence should be reported to one of the individuals listed below:

- Title IX Coordinator Sahana Gupta, SPH - 55 West 125th Street, N.Y. 10027, Room 521, 646-364-9521, sahana.gupta@cuny.edu
- Director of Public Safety - John Flaherty, The Graduate Center, 365 Fifth Avenue, NY, NY, 10016, Room 9117, 212-817-7761, jflaherty@gc.cuny.edu
- Associate Dean Student of Student Affairs & Alumni Relations - Dr. Lynn Roberts, SPH - 55 West 125 St, Room 513, 646-364-0253, lynn.roberts@sph.cuny.edu
- Director of Human Resources Arthur McHugh Jr., SPH - 55 West 125th St, Room 715, 644-364-9764, Arthur.McHugh@sph.cuny.edu

Other Reporting Methods

1. Call Public Safety at 646-364-0272. Extension 40272 may be dialed within the college's telephone system.
2. Report the information to any member of the Department of Public Safety or in person at the Public Safety desk.
3. Victims or witnesses may report crimes to persons designated as Campus Security Authorities (listed on page 1 in this document), who will report the incident to the Title IX Coordinator and forward the report of the crime to the Office of Public Safety for statistical inclusion in the Annual Crime Report. The College recognizes the importance of confidentiality to victims and witnesses of crimes. For the purposes of providing crime statistics pursuant to the Campus Security Act in the College's Annual Security Report, victim and witness information will remain anonymous. However, complete confidentiality cannot be guaranteed in all other contexts. Victims of sexual violence will be encouraged, but not required to report the incident to law enforcement authorities. The College reserves the right to notify the police when it believes that such reporting is necessary for the protection of the College community. In many cases, however, that notification will be done without divulging the victim's identity and will be done only for the purpose of providing a campus-wide safety alert.
4. In the event that the situation you observe or are involved in is of an extreme or life-threatening nature, call 911, the New York City Police Department's emergency phone number. If you make a 911 call, please also notify Public Safety. They will also respond to assist and direct the police and other emergency personnel to the reported emergency.

Options about the Involvement of Law Enforcement and Campus Authorities

Students, employee or other community members may choose to report Sexual Misconduct to local law enforcement and/or state police ("outside law enforcement"). However, the CUNY Graduate School of Public Health and Health Policy/CUNY does not require that a complainant report Sexual Misconduct to outside law enforcement; nor will the CUNY Graduate School of Public Health and Health Policy/CUNY do so without the complainant's agreement, except in exceptional circumstances. The college may report Sexual Misconduct to outside law enforcement without the complainant's consent when the college determines that the respondent poses a serious continuing threat to the physical safety of the complainant or another person.

If a student, employee or other community member chooses to report Sexual Misconduct to outside law enforcement, the CUNY School of Professional Studies can provide assistance. Each college Public Safety office must have an appropriately trained employee available at all times to provide the complainant with information regarding options to proceed, including information regarding the criminal justice process and the preservation of evidence. Campus Public Safety officers can also assist the complainant with reporting allegations both on and off-campus and in obtaining immediate medical attention and other services.

Prevention Education Programs

CUNY and the CUNY Graduate School of Public Health and Health Policy are committed to creating a community free from Sexual Misconduct. CUNY and the CUNY Graduate School of Public Health and Health Policy have developed materials and programs to educate its students, faculty and staff on the nature, dynamics, common circumstances and effects of Sexual Assault, Dating Violence, Domestic Violence and Stalking, and the means to reduce their occurrence and prevent them. These programs are offered to incoming and transfer students during student orientation sessions. The Title IX Coordinator and Student Affairs offices are available to provide this training to student activity groups and clubs.

SPARC, or the Sexual and Interpersonal Violence Prevention and Response Course, is mandated for all incoming and transfer students, and is offered to all other students through an easily accessible online portal. This program educates students on key information such as the definition of affirmative consent, where to go on campus if they, or someone they know, have been affected by Sexual Misconduct, and what resources are available to them for assistance. The course is custom tailored so that students will receive their specific campus's contact information for Public Safety, Title IX Coordinator, Campus Health Services, Mental Health Counseling Center, and Office of Student Affairs. Additionally, CUNY added an alcohol education module to make sure students understand the dangers of irresponsible alcohol consumption and how it relates to sexual violence.

ESPARC, or the Employee Sexual Misconduct Prevention and Response Course, is a mandated annual training to inform employees how to identify, prevent, and respond to Sexual Misconduct in the workplace. In addition to educating employees on the various CUNY policies related to these topics, it also identifies where to go, and with whom to speak, if they, a student, a colleague, or subordinate, experiences Sexual Misconduct. Additionally, it gives examples of conduct that may constitute Sexual Harassment, and informs employees that they may also seek legal redress from outside agencies. Each campus's online course informs participants who is responsible at their specific campus for investigating Sexual Misconduct and provides up to date contact information for those individuals.

More information and resources about campus safety, sexual assault and harassment, domestic/intimate partner violence, stalking and dating violence can be found at: [CUNY Title IX Website](#)

How to be an Active Bystander

CUNY and the Graduate School of Public Health and Health Policy provide training on bystander intervention for incoming students and new employees. Bystanders play a critical role in the prevention of Sexual Misconduct. Bystanders are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. Training on bystander intervention includes safe and positive options to prevent harm or intervene when there is a risk of Dating Violence, Domestic Violence, Sexual Assault or Stalking.

CUNY encourages employees, students and visitors to take reasonable and prudent actions to prevent or stop an act of Sexual Misconduct that they may witness, unless doing so would pose a safety risk to themselves or others. Although these strategies will depend on the circumstances, they may include direct intervention, calling law enforcement or seeking assistance from a person in authority. Bystander intervention strategies include:

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take sexual advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

In addition, CUNY encourages employees, students and visitors to report any incident of Sexual Misconduct that they observe or become aware of to the Title IX Coordinator, Public Safety or to the other offices referenced above. Individuals who take action in accordance with this paragraph will be supported by the college, and anyone who retaliates against them will be subject to discipline.

If you or someone else is in immediate danger, dial 911 (if on campus, call Public Safety at x40272 or 646-364-0272).

Prevention and Risk Reduction

- Convey strongly that you expect your rights to be respected.
- Meet new acquaintances in public places. Always have your own transportation or travel with good friends.
- Keep money in your pocket or purse for phone calls or pay for transportation if you must leave a situation abruptly.
- Be aware of how much alcohol is being consumed. It is best to avoid using alcohol. While not a direct cause of date rape, alcohol can increase your vulnerability by lowering your alertness and ability to react.
- Do not accept a drink from someone you do not know or trust. Do not drink from bowls or large common open containers.
- Do not continue to drink from a beverage you left unattended.
- Clearly define your sexual limit. If someone starts to offend you, be direct. Say no clearly when you mean no.
- If you feel that you are being pressured into unwanted sex, say something as soon as you can, before the behavior goes any further.
- Embarrassment should not keep you from doing what is right for you. Do not hesitate to raise your voice, stand up abruptly, or scream if the situation warrants it.

- Watch out for your friends and fellow students/employees. If you can do so safely, ask if they need help.
- Speak up if you hear someone discuss plans to take sexual advantage of another person.
- Offer to help a friend or fellow/student or employee make a report and seek assistance and support.
- Avoid isolated areas.
- Attend parties with friends. Arrange to leave with your friends.

Procedures Victims Should Follow in the Case of Alleged Dating Violence, Domestic Violence, Sexual Assault or Stalking

- After an attack, try to be as calm as possible in order to think clearly. Get to a safe place and call for help immediately. If you are in the building, contact Public Safety immediately; anywhere else call 911, call a relative or a friend or a rape crisis center. The NYC Police Department Sex Crimes Report Line is always open at 212-COP-RAPE.
- Remain in the same condition as when the attacker left. Do not change, wash, or destroy any clothing or any article that may be evidence.
- Do not wash, douche or comb your hair.
- Have a medical/gynecological exam at the nearest hospital emergency room as soon as possible. The doctor should note and treat any injury and take measures to combat the possibility of sexually transmitted diseases or pregnancy. If you report being raped, the doctor may be able to collect semen smears or other physical specimens as evidence.
- Show police any bruises or injuries, however minor, resulting from the attack. Also, show injuries to a friend or relative who might be available as a corroborative witness at the trial. If possible, photograph bruises.
- Leave the crime scene exactly as it is. Do not touch, clean up, or throw anything away.
- Give any clothing that was stained or torn (including undergarments) during the crime to the police.
- When calm, write down every detail about the incident, including: who, what, where, when, and how; what the attacker looked like (height, weight, clothing, type of build, color of skin, hair, eyes, facial oddities, scars jewelry, tattoos etc.); description of any vehicle used or the direction you last saw the attacker running; what kind of force or coercion was used; any objects touched, taken, or left by the attacker; if the attacker said anything, try to remember the words, the grammar, any accents or speech defects; and if there were witnesses, list who and where they might be.
- Seek psychological support as well as medical attention. Even though the actual incident is over, you may suffer from rape trauma syndrome, which includes a variety of difficulties commonly experienced after a sexual assault.
- A student can call the New York City Police Department or 911, or go directly to a hospital. If the student wishes, Public Safety will call 911 on their behalf. It is important to note that if you are a victim of a sex offense, **do not destroy any evidence (including clothing) and do not take a shower or bath.**
- It is important that such physical evidence be preserved in order to assist with any ensuing criminal investigation. If the student believes that she/he may be the victim of date rape by being drugged, she/he should go directly to a hospital to receive a toxicology examination since such drugs only remain in a person's system for a short period of time. The Office of Public Safety will assist with notification of other law enforcement authorities and/or medical professionals if the student so chooses.
- New York State Department of Health has designated sexual assault forensic examiner ("SAFE") programs in hospitals that are designated as 24-hour centers of excellence. SAFE hospitals ensure the quality of collections, documentation, preservation and custody of physical evidence by a trained examiner and provide medical care that includes, but is not limited to, treatment, referral and follow-up, at no cost to the victim.
- As time passes, evidence may dissipate or become lost or unavailable, making investigation, possible prosecution or disciplinary proceedings or obtaining orders of protection more difficult. Even if a victim of sexual assault chooses not to file a complaint with law enforcement, the victim should consider having a sexual assault forensic exam, which will preserve the evidence in case the victim decides to file a report later.

Who is a perpetrator?

Many people think that sexual assaults are only perpetrated by vicious strangers on dark, deserted streets. In fact, studies indicate that between 80 and 90 percent of all people who have been raped know their perpetrator(s). This is called "date rape" or "acquaintance rape." "Date rape" is not a legally distinct or lesser category of rape. It refers to a relationship and situational context in which rape occurs on a date. Rape or any sexual offense, whether on a date or not, is the same criminal offense involving the same elements of force, exploited helplessness or underage participation. With sexual assaults where the victim knows the perpetrator, alcohol use is often involved on the part of either the victim or the perpetrator. However, a sexual assault is still a crime regardless of the intoxication of the perpetrator or the victim.

Who is a victim?

Anyone can be a victim, regardless of gender, age, race, sexual orientation, gender identity, religion, ethnicity, class or national origin. Regardless of whether the victim was abusing alcohol and/or underage, she or he is still the victim of the sex offense.

When is there lack of consent?

Under New York law, lack of consent to a sexual contact may be demonstrated in the following ways: (1) forcible compulsion including the use of physical force or threat (express or implied) which places the person in fear of physical injury to self or another; (2) incapacity to consent on the part of the victim; (3) circumstances in which the victim does not expressly or impliedly acquiesce in the actor's conduct; or (4) circumstances in which the victim clearly expressed by words or actions that he or she did not consent to engage in such sexual act and a reasonable person would have understood such person's words or actions as an expression of lack of consent to such conduct.

A person is deemed incapable of giving consent if she/he is (a) under the age of 17, (b) mentally incapacitated (which may include incapacity due to the victim's ingestion of alcohol or drugs), (c) physically disabled or (d) physically helpless (asleep, unconscious or for any other reason physically unable to communicate unwillingness to act, which may also include incapacity due to the victim's ingestion of alcohol or drugs).

CUNY's Sexual Misconduct Policy requires affirmative consent to sexual activity. Affirmative consent as defined in CUNY's Sexual Misconduct Policy is a knowing, voluntary and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as

long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity or gender expression. Consent may be initially given but withdrawn at any time. Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.

In order to give consent, one must be of legal age (17 years or older). Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by lack of consciousness or being asleep, being involuntarily restrained, or if the individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.

Who is responsible for a sexual attack?

In the absence of consent, the attacker is *always* responsible for having committed the sexual assault regardless of the victim's appearance, behavior, or conduct on previous occasions. An attacker cannot assume that the way a person dresses or acts is an invitation for sexual advances. A person may welcome some forms of sexual contact and be opposed to others. The more impaired a person is from alcohol or drugs, the less likely she/he can give consent; having sex with someone who is "passed out" or sleeping is rape and regardless of previous sexual activity, if someone refuses sexual contact, the failure to respect that limit constitutes non-consensual sex.

Complainant's Rights

Individuals who have experienced Sexual Misconduct have the right to report allegations to the college or to decide not to do so. Students who report Sexual Misconduct have all of the rights contained in the Students' Bill of Rights (copy attached). Complainants also have these rights:

- a. To notify campus Public Safety and/or outside law enforcement, or to choose not to report.
- b. To have emergency access to a college official trained to interview victims of sexual assault and able to provide certain information, including reporting options and information about confidentiality and privacy. The official will, where appropriate, advise about the importance of preserving evidence and obtaining a Sexual Assault Forensic Examination ("SAFE") as soon as possible. The official will also explain that the criminal process uses different standards of proof and evidence, and that any questions about whether an incident violated criminal law should be addressed to a law enforcement official or a district attorney's office.
- c. To disclose the incident to a college representative who can offer confidentiality or privacy and assist in obtaining services. See Section VI, above.
- d. To describe the incident only to those campus officials who need the information in order to properly respond and to repeat the description as few times as practicable (subject to the procedures outlined in CUNY's Policy on Sexual Misconduct, Sections XI and XII).
- e. To have allegations of Sexual Misconduct investigated in accordance with CUNY's Policy on Sexual Misconduct.
- f. To have privacy preserved to the extent possible.
- g. To receive assistance and resources on campus, including confidential and free on-campus counseling, and to be notified of other services available on and off campus, including the New York State Office of Victim Services.
- h. To disclose the incident to the college's Human Resources Director or designee (if the respondent is a college employee) or request that a confidential or private resource assist in doing so.
- i. To disclose the incident confidentially and obtain services from state and local governments.
- j. To receive assistance from the campus or others in filing a criminal complaint, initiating legal proceedings in family court or civil court, and/or seeking an Order of Protection or the equivalent. In New York City, this assistance is provided by Family Justice Centers located in each borough.
- k. To receive assistance with effecting an arrest when an individual violates an Order of Protection, which may be provided by assisting local law enforcement in effecting such an arrest.
- l. To withdraw allegations or involvement from the process at any time

College and Community Counseling and Support Services for those affected by Sexual Misconduct

On-Campus Assistance

CUNY is committed to providing assistance, support and resources to those affected by Sexual Misconduct. Anyone who has experienced Sexual Assault, Domestic Violence or Dating Violence is encouraged to contact the Title IX Coordinator to obtain assistance in accessing medical and counseling services, or to obtain supportive measures, such as changes to the student's academic program. There are a wide range of supportive measures and accommodations available to those affected by Sexual Misconduct, for example, the Office of Public Safety can assist a complainant getting to and from campus classes, filing a police report and obtaining an order of protection against the respondent.

Section VIII-A of CUNY's Policy on Sexual Misconduct provides a written discussion about the range of supportive measure and accommodations available and information about how to request accommodations. As detailed in CUNY's Policy on Sexual Misconduct, supportive measures and accommodations are available regardless of whether a victim chooses to report allegations to the CUNY Graduate school of Public Health and Health Policy, campus law enforcement or outside law enforcement. Any accommodations or protective measures will remain confidential to the extent that maintaining such confidentiality would not impair the ability of the CUNY Graduate School of Public Health and Health Policy to provide the accommodation or protective measure.

The City University of New York Policy on Sexual Misconduct

A copy of the City University of New York Policy on Sexual Misconduct is attached to this report and can be viewed by clicking the following [CUNY's Sexual Misconduct Policy](#).

Under the provisions of Title IX of the Education Amendments of 1972 ("Title IX"), 20 USC §§ 1681 et seq., and its implementing regulations, 34 CFR Part 106, discrimination on the basis of sex in education programs or activities operated by recipients of federal financial assistance is prohibited. Sexual Harassment, which includes Sexual Assault, Dating Violence, Domestic Violence and Stalking, is a form of discrimination prohibited by Title IX.

Title IX Sexual Harassment is defined by the United States Department of Education to mean conduct on the basis of sex that occurs in a CUNY Graduate School of Public Health and Health Policy/CUNY education program or activity against a person in the United States and that satisfies one or more of the following: (1) a CUNY Graduate School of Public Health and Health Policy/CUNY employee conditioning the provision of an aid, benefit or service of CUNY on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, *and* objectively offensive that it effectively denies a person equal access to the CUNY Graduate School of Public Health and Health Policies/CUNY's education program or activity; or (3) sexual assault, dating violence, domestic violence, or stalking as defined in CUNY's Policy on Sexual Misconduct.

CUNY's Policy on Sexual Misconduct prohibits Sexual Misconduct, whether or not it falls within the scope of Title IX Sexual Harassment, defined above. Prohibited Sexual Misconduct includes Sexual Assault, Sexual Harassment, Dating Violence, Domestic Violence, Stalking and Voyeurism, as those terms are defined in CUNY's Policy on Sexual Misconduct. Sexual Misconduct is prohibited regardless of whether it occurs on or off campus.

Investigation and Disciplinary Procedure for Allegations of Dating Violence, Domestic Violence, Sexual Assault and Stalking pursuant to CUNY's Policy on Sexual Misconduct

The specific procedures that apply to the investigation and discipline of Sexual Misconduct allegations (including Domestic Violence, Dating Violence, Sexual Assault and Stalking) vary based on the circumstances of each case and are outlined fully in CUNY's Policy on Sexual Misconduct, attached to this report.

Generally, the Title IX Coordinator is responsible for conducting investigations in a prompt, thorough and impartial manner. Parties to an investigation have the right to an investigation process where the burden of proof and burden of gathering evidence sufficient to reach a determination of responsibility rests on the college and not on the parties, although the parties will be provided the opportunity to offer evidence during an investigation. Parties have the right to be accompanied by an advisor of their choice, who may assist and advise throughout the process, including during all related meetings and hearings.

Depending on the specific circumstances of a case, available resolution options may include informal resolution or a formal investigation and hearing. Sanctions for student respondents who are found responsible for Sexual Misconduct range from a warning to suspension or expulsion from CUNY.

Consent

Consent is analyzed and defined differently in criminal law and pursuant to CUNY's Policy on Sexual Misconduct.

In New York State criminal law, lack of consent results from:

- (a) Forcible compulsion; or
- (b) Incapacity to consent; or
- (c) Where the offense charged in sexual abuse or forcible touching, any circumstances, in addition to forcible compulsion or incapacity to consent, in which the victim does not expressly or impliedly acquiesce in the actor's conduct; or
- (d) Where the offense charged is rape in the third degree as defined in subdivision three of section 130.25, or criminal sexual act in the third degree as defined in subdivision three of section 130.40, in addition to forcible compulsion, circumstances under which, at the time of the act of intercourse, oral sexual conduct or anal sexual conduct, the victim clearly expressed that he or she did not consent to engage in such act, and a reasonable person in the actor's situation would have understood such person's words and acts as an expression of lack of consent to such act under all the circumstances.

CUNY's Policy on Sexual Misconduct requires affirmative consent to sexual activity. Affirmative consent as defined in CUNY's Policy on Sexual Misconduct is a knowing, voluntary and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity or gender expression. Consent may be initially given but withdrawn at any time. Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.

In order to give consent, one must be of legal age (17 years or older). Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by lack of consciousness or being asleep, being involuntarily restrained, or if the individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.

Definitions of Sexual Assault, Dating Violence, Domestic Violence and Stalking under New York State Law

This information is provided for educational and awareness purposes. Please note that CUNY procedures and standards differ from those of criminal law. These definitions are also different than the definitions used for reporting pursuant to the Clery Act.

Sexual Assault

The term Sexual Assault is not defined by New York State Penal Law. However, under Article 130 of the New York State Penal Law, it is a sex offense to engage in sexual contact or to engage in sexual intercourse, criminal sexual act or sexual abuse by contact without the consent of the victim or where the victim is incapable of giving consent.

In New York State, lack of consent results from:

- (a) Forcible compulsion; or
- (b) Incapacity to consent; or
- (c) Where the offense charged in sexual abuse or forcible touching, any circumstances, in addition to forcible compulsion or incapacity to consent, in which the victim does not expressly or impliedly acquiesce in the actor's conduct; or
- (d) Where the offense charged is rape in the third degree as defined in subdivision three of section 130.25, or criminal sexual act in the third degree as defined in subdivision three of section 130.40, in addition to forcible compulsion, circumstances under which, at the time of the act of intercourse, oral sexual conduct or anal sexual conduct, the victim clearly expressed that he or she did not consent to engage in such act, and a reasonable person in the actor's situation would have understood such person's words and acts as an expression of lack of consent to such act under all the circumstances.

Stalking

A person is guilty of stalking in the fourth degree (Penal Law 120.45) when he or she intentionally, and for no legitimate purpose, engages in a course of conduct directed at a specific person, and knows or reasonably should know that such conduct: (1) is likely to cause reasonable fear of materials harm to the physical health, safety or property of such person, a member of such person's immediate family or a third party with whom such person is acquainted; or (2) causes materials harm to the mental or emotional health of such person, where such conduct consists of following, telephoning or initiating communication or contact with such person, a member of such person's immediate family or a third party with whom such person is acquainted, and the actor was previously clearly informed to cease that conduct; or (3) is likely to cause such person to

reasonably fear that his or her employment, business or career is threatened, where such conduct consists of appearing, telephoning or initiating communication or contact at such person's place of employment or business, and the actor was previously clearly informed to cease that conduct.

Stalking in the fourth degree is a class B misdemeanor and punishable by up to 6 months in jail. The New York State Penal Law also defines Stalking in the third degree (120.50); Stalking in the second degree (120.55) and Stalking in the first degree (120.60); which are classified based on severity of the conduct and other aggravating factors.

Criminal sex offenses are classified in degree according to the seriousness of sexual activity, the degree of force used, the age of the victim and the physical and mental capacity of the offender and victim. See chart below for a list of some of the major sex offenses and their maximum penalties under New York State Law.

Admission of Sex Offenders (As provided by the Office of the Vice Chancellor of Legal Affairs)

The college reserves the right to deny admission to any student if in its judgment, the presence of that student on campus poses an undue risk to the safety or security of the college or the college community. That judgment would be based on an individualized determination taking into account any information the college has about a student's criminal record and the particular circumstances of the college, including the presence of a childcare center, a public school or public-school students on the campus.

Campus Sex Crimes Prevention Act

The New York State Division of Criminal Justice Services maintains a registry of convicted sex offenders, which is available to local law enforcement agencies, including CUNY's Public Safety Departments. To obtain information about a Level 2 or Level 3 registered sex offender you may:

- Contact the police department in the jurisdiction in which the offender resides and/or in which the college is located.
- Contact John Flaherty, Director of Public Safety, at 212-817-7761.
- Contact the Division's sex offender registry web site at www.criminaljustice.ny.gov/nsor/index.htm and then click on "Search the Sex Offender Registry" or by dialing 800-262-3257.

To obtain information about Level 1 (or those with a pending risk level) you may:

- Call the Division's sex offender registry at (800) 262-3257 with the name and at least one other identifier (an exact address, date of birth, driver's license number, or a social security number) and DCJS will tell you if that individual is a registered sex offender in New York.

Missing Students

In accordance with state and federal law, the College maintains procedures for the investigation of reports of missing persons. In addition, in compliance with state and federal law, the College will notify the appropriate law enforcement agency within 24 hours of receiving a report of a missing student who resides in campus housing.

The purpose of this policy is to establish procedures for the College's response to reports of missing students, as required by the Higher Education Opportunity Act of 2008. This policy applies to students who reside in campus housing.

For purposes of this policy, a student may be considered to be a "missing student" if the student's absence is contrary to his/her usual pattern of behavior and unusual circumstances may have caused the absence. Such circumstances could include, but not be limited to, a report or suspicion that the missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life-threatening situation, or has been with persons who may endanger the student's welfare. In the event a student under 18 years of age and not emancipated, the College must notify a custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to notifying any additional contact person designated by the student. For all missing students, the College will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing. Regardless if the student is above the age of 18, or is an emancipated minor the Director of Public Safety or his designee shall make a missing person report.

All members of the University community—students, faculty and staff are expected to maintain a working and learning environment free from violence, threats of harassment, intimidation or coercion. While these behaviors are not prevalent at the University, no organization is immune.

The City University of New York prohibits workplace violence. Violence, threats of violence, intimidation, harassment, coercion, or other threatening behavior towards people or property will not be tolerated. Complaints involving workplace violence will not be ignored and will be given the serious attention they deserve. Individuals who violate this policy may be removed from University property and are subject to disciplinary and/or personnel action up to and including termination, consistent with University policies, rules and collective bargaining agreements, and/or referral to law enforcement authorities for criminal prosecution. Complaints of sexual harassment are covered under the University's Policy against Sexual Harassment.

In this context, the University, at the request of an employee or student, or at its own discretion, may prohibit members of the public, including family members, from seeing an employee or student on University property. This policy particularly applies in cases where the employee or student suspects that an act of violence will result from an encounter with said individual(s).

All faculty, staff, students, vendors, contractors, consultants, and others who do business with the University, whether in a University facility or off-campus location where University business is conducted, are covered by this policy. This policy also applies to other persons not affiliated with the University, such as former employees, former students, and visitors. When students have complaints about other students, they should contact the Office of Student Affairs at their campus.

Any person, who is the subject of a potential violation of this policy or is a witness to such suspected violation, should report the incident to his or her supervisor, or in lieu thereof, to their respective Campus Public Safety Office. Students should report such incidents to the Office of Student Affairs at their campus or in lieu thereof, their campus Public Safety Office. Domestic Violence in the Workplace

The City University of New York disapproves of violence against women, men, or children in any form, whether as an act of workplace violence or in any employee's personal life. Domestic violence can spill over into the workplace, compromising the safety of both victims and co-workers and resulting in lost productivity, increased health care costs, increased absenteeism, and increased employee turnover. CUNY is committed to full compliance of all applicable laws governing domestic violence in the workplace, to promoting the health and safety of its employees, and to making a significant and continual difference in the fight to end domestic violence. CUNY will review this policy annually and will notify all employees and the New York State Office for the Prevention of Domestic Violence ("OPDV") of any revisions.

If you are a victim of domestic violence and/or a stalking victim, you should contact your local police precinct. If you have obtained an order of protection against your abuser, you should notify the Office of Public Safety to discuss a safety plan. Additional information on domestic violence can be found at http://policy.cuny.edu/general-policy/article-v/#policy_5.061

CUNY Policy on Equal Opportunity and Non-Discrimination

The City University of New York is committed to providing reasonable accommodations and academic adjustments to allow qualified individuals the opportunity to participate in programs, activities and employment. CUNY recognizes that there may be times when employees and their supervisors,

as well as students and their instructors, can resolve accommodation requests informally. However, in many cases, such requests require a more formal process with the request being made to and considered by a designated decision-maker, with the opportunity for an appeal, as provided for in these procedures. Definitions of Geography

On-Campus - Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to the institution's educational purposes, including residence halls; and any building or property that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes.

Non-Campus Building or Property - Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of or in relation to the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public Property - All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus or immediately adjacent to and accessible from the campus. The CUNY Graduate School of Public Health and Health Policy's crime statistics do not include crimes that occur in privately owned homes or businesses adjacent to the campus buildings.

Uniform Crime Reporting (UCR) Federal Definitions Related to Clery

According to federal statute, sexual assault is an offense that meets the definition of rape, fondling, or statutory rape, as used in the FBI's Uniform Crime Reporting (UCR) program. Under the UCR:

Rape - Rape is the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling - Fondling is the touching of the private parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest - Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape - Statutory rape is sexual intercourse with a person who is under the statutory age of consent.

Stalking - Stalking is "engaging in a course of conduct directed at a specific person that would cause a reasonable person to —

- a) Fear for his or her safety or the safety of others; or
- b) Suffer substantial emotional distress". 42 U.S.C 13925 (a).

For the purpose of this definition:

1. Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly or indirectly, through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person's property.

Domestic Violence - The term Domestic Violence is not defined by New York State Penal Law, although various criminal acts defined by the New York State Penal Law may qualify as a "family offense" when committed by an intimate partner. An intimate relationship includes family or household members and other types of close relationships, such as people who are legally married or divorced, people with a child in common, including adopted children, people related by marriage, like in-laws, people related by blood, like brothers, parents, cousins, unrelated people who live, or have lived together for period of time and/or unrelated people in, or were in an intimate relationship (current or former), like same-sex couples and teens who are dating. <http://nycourts.gov/CourtHelp/Safety/DVbasics.shtml>

According to federal statute, “domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under domestic or family violence laws of [New York], or by any other person against an adult or youth victim who is protected from that person’s act under the domestic or family violence laws of [New York]”. 42 U.S.C 13925(a).

Dating Violence - The term Dating Violence is not defined by New York State Penal Law, although various criminal acts defined by the New York State Penal Law may qualify as a “family offense” when committed by an intimate partner, which includes people in an intimate relationship (current or former). Intimate relationships do not have to be sexual. For more information see <http://nycourts.gov/CourtHelp/Safety/DVbasics.shtml>

According to federal statute, “dating violence” means violence committed by a person —

- a) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- b) Where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - i. The length of the relationship
 - ii. The type of relationship
 - iii. The frequency of interaction between the persons involved in the relationship, 42 U.S.C 13925 (a).

PREAMBLE

This Policy prohibits Sexual Misconduct at The City University of New York (“CUNY”). In addition to defining what constitutes Sexual Misconduct and explaining the resources available to those affected by Sexual Misconduct, this Policy details CUNY’s procedures for investigating and adjudicating allegations of Sexual Misconduct. CUNY’s process for addressing allegations of Sexual Misconduct is based on federal, state and local laws, including Title IX, the federal law that prohibits sex discrimination in education and New York State’s Education Law Article 129- B, also known as the “Enough is Enough” law. Each time there is a change in the law, CUNY must review and revise this Policy.

In May 2020, the United States Department of Education (“USDOE”) issued regulations that significantly limited the behavior that constitutes sexual harassment prohibited by Title IX—this behavior is now referred to as Title IX Sexual Harassment.

Title IX Sexual Harassment is defined by the USDOE to mean conduct on the basis of sex that occurs in CUNY’s education program or activity against a person in the United States and that satisfies one or more of the following: (1) a CUNY employee conditioning the provision of an aid, benefit, or service of CUNY on an individual’s participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to CUNY’s education program or activity; or (3) Sexual Assault, Dating Violence, Domestic Violence, or Stalking as defined in this Policy.

The regulations mandate a specific procedure for the investigation, resolution and adjudication of allegations of Title IX Sexual Harassment (“Title IX grievance procedure”). The regulations state that educational institutions may still prohibit sexual misconduct that falls outside of the narrow definition of Title IX Sexual Harassment and CUNY will continue to prohibit, investigate and adjudicate such conduct - for example, conduct that has a reasonable connection to CUNY but occurs outside of CUNY’s education program or activity, conduct that occurs outside the United States or unwelcome physical or verbal conduct of a sexual nature that does not meet the severe, pervasive and objectively offensive standard.

This Policy uses Sexual Misconduct as an umbrella term that covers all conduct prohibited by the Policy—regardless of whether that conduct meets the Title IX Sexual Harassment definition or not. Sexual Misconduct that falls outside the scope of Title IX Sexual Harassment will be referred to as a Non-Title IX Sexual Misconduct matter.

While the regulations specify a strict and complex Title IX grievance procedure for Title IX Sexual Harassment matters, those procedures are not required when Sexual Misconduct falls outside the scope of Title IX and CUNY determined that it would not use the Title IX grievance procedure for Non-Title IX Sexual Misconduct matters. Therefore, to ensure compliance with Title IX, as now interpreted, as well as other federal, state and local laws, this Policy provides two different sets of procedures: Title IX Sexual Harassment matters will follow the Title IX grievance procedure required by the regulations and Non-Title IX Sexual Misconduct matters will follow a different process that largely mirrors the CUNY investigation and adjudication process that existed under previous versions of this Policy, with a few changes and updates.

I. POLICY STATEMENT

CUNY students, employees and visitors deserve the opportunity to live, learn and work free from Sexual Misconduct. Accordingly, CUNY is committed to:

1. Defining conduct that constitutes Sexual Misconduct;
2. Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct;
3. Providing ongoing assistance and support to all parties after allegations of Sexual Misconduct have been made;
4. Promptly and respectfully responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate and taking action to investigate and address any allegations of retaliation;
5. Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this Policy, as well as a “Students’ Bill of Rights” and implementing training and educational programs on Sexual Misconduct to college constituencies;
6. Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of allegations of Sexual Misconduct;
7. Distinguishing between the specific conduct defined as Title IX Sexual Harassment by the USDOE and the broader definition of Sexual Misconduct prohibited by this Policy; and
8. Ensuring compliance with the federal regulations under Title IX, and other federal, state and local laws.

This is CUNY’s sole policy to address Sexual Misconduct and it is applicable at all CUNY colleges and units.¹ This Policy will be interpreted in accordance with the principles of academic freedom adopted by CUNY’s Board of Trustees.

The CUNY community should also be aware of the following CUNY policies:

1. [The CUNY Policy on Equal Opportunity and Nondiscrimination](#)² prohibits discrimination on the basis of numerous protected characteristics in accordance with federal, state and local law. That policy addresses sex discrimination other than Sexual Misconduct covered by this policy.
2. [The CUNY Campus and Workplace Violence Prevention Policy](#)³ addresses workplace violence.
3. [The CUNY Domestic Violence and the Workplace Policy](#)⁴ addresses domestic violence in or affecting employees in the workplace.

¹ There is a separate policy for students at the Hunter College Campus Schools, consistent with federal regulations under Title IX, state and local law.

[The CUNY Procedures for Implementing Reasonable Accommodations and Academic Adjustments](https://www.cuny.edu/about/administration/offices/legal-affairs/policies-procedures/reasonable-accommodations-and-academic-adjustments/)⁵ addresses the procedures CUNY will follow when there is a request for a reasonable accommodation or academic adjustment.

In addition, campus crime statistics, including statistics relating to sexual violence, which CUNY is required to report under the Jeanne Clery Act, are available on each college's Public Safety website.

II. SCOPE OF THIS POLICY

This Policy governs the conduct of CUNY students, employees and visitors. Visitors may report a violation of this Policy and may also be subject to restrictions for failing to comply with this Policy.

This Policy prohibits Sexual Misconduct that occurs on CUNY property and conduct that occurs off CUNY property but has a reasonable connection to CUNY.

III. PROHIBITED CONDUCT AND DEFINITIONS

This Policy prohibits Sexual Misconduct (addressed in this section), Retaliation (addressed in Section VII-G and defined below), knowingly submitting false statements or information (defined below) and certain intimate relationships between students and faculty members/employees (addressed in Section XIV).⁶

The following behaviors constitute Sexual Misconduct prohibited under this Policy:

- a. **Dating Violence** is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. Dating violence can be a single act or a pattern of behavior, based on the frequency, nature, and severity of the conduct. Dating violence includes the threat of sexual assault or physical abuse. The existence of such a relationship is determined based on a consideration of the following factors: (1) The length of the relationship; (2) The type of relationship and (3) The frequency of interaction between the persons involved in the relationship. A relationship may be romantic or intimate regardless of whether the relationship was sexual in nature.
- b. **Domestic Violence** includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim by a person with whom the victim shares a child, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under applicable domestic or family violence laws, or by any other person against an adult or youth victim who is protected from that person's acts under applicable domestic or family

⁵ <https://www.cuny.edu/about/administration/offices/legal-affairs/policies-procedures/reasonable-accommodations-and-academic-adjustments/>.

⁶ Sex discrimination that does not constitute Sexual Misconduct is not addressed in this Policy but is covered by CUNY's Equal Opportunity and Non-Discrimination Policy. Sex discrimination is defined as treating an individual differently or less favorably because of sex, including sexual orientation, gender or gender identity (including transgender status), as well as pregnancy, childbirth and related medical conditions. Examples of sex discrimination include giving a student a lower grade, or failing to hire or promote an employee, based on their sex.

violence laws. Domestic violence can be a single act or a pattern of behavior, based on the frequency, nature, and severity of the conduct.

- c. **Sexual Assault: Contact** is any sexual contact, including sexual touching for the purpose of sexual gratification of either party or degrading or abusing such person, without a person's consent. Sexual touching includes contact under or over clothing with another person's anus, breasts, buttocks, genitals, groin or inner thigh; touching another person anywhere with any of these body parts; making another person touch any of these body parts under or over clothing; or the emission of ejaculate on the clothing or body of another person.
- d. **Sexual Assault: Penetration** is any form of vaginal, anal, or oral penetration or attempted penetration, however slight, by a penis, object, tongue, or finger without a person's consent. This term includes incest and statutory rape.
- e. **Sexual Harassment** is unwelcome verbal or physical behavior based on a person's sex (including sexual orientation, gender, gender expression and gender identity, including transgender status). Conduct is considered "unwelcome" if the individual did not request or invite it and considered the conduct to be undesirable or offensive. This includes unwelcome conduct when: (1) a CUNY employee conditions the provision of an aid, benefit, or service of CUNY on an individual's participation in unwelcome sexual conduct (quid pro quo); and/or (2) such conduct alters the conditions of, or has the effect of interfering with, an individual's educational or work experience by creating an intimidating, hostile or offensive environment (hostile environment). The effect will be evaluated based on the perspective of a reasonable person in the position of a complainant. While it is not possible to list all circumstances that might constitute Sexual Harassment, the following are some examples of conduct that might constitute such harassment:
 - i. Suggestive body language or inappropriate or unwelcome physical contact that does not qualify as Sexual Assault: Contact;
 - ii. Verbal abuse or offensive comments of a sexual nature, including sexual slurs, persistent or pervasive sexually explicit statements, questions, jokes or anecdotes, degrading words regarding sexuality or gender, suggestive or obscene letters, notes, or invitations;
 - iii. Making lewd or sexual comments about an individual's appearance, body, or clothing;
 - iv. Visual displays or distribution of sexually explicit drawings, pictures, or written materials;
 - v. Undue and unwanted attention, such as repeated inappropriate flirting, staring, or making sexually suggestive gestures; or
 - vi. Offensive comments regarding a person's sexual orientation, gender identity or gender expression, such as persistent mocking or disparagement of a person based on a perceived lack of stereotypical masculinity or femininity.
- f. **Stalking** means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) fear for their safety or the safety of others or (2) suffer substantial emotional distress. This Policy addresses stalking that is based on sex (including sexual orientation, gender, gender expression and gender identity, including transgender status). All other stalking will be addressed under other applicable policies.

- g. **Title IX Sexual Harassment** is a subset of the broader definition of Sexual Harassment above. It is defined by the USDOE to mean conduct on the basis of sex⁷ that occurs in CUNY's education program or activity against a person in the United States and that satisfies one or more of the following: (1) a CUNY employee conditioning the provision of an aid, benefit, or service of CUNY on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to CUNY's education program or activity; or (3) Sexual Assault, Dating Violence, Domestic Violence, or Stalking as defined in this Policy.
- h. **Voyeurism** is unlawful surveillance and includes acts that violate a person's right to privacy in connection with their body and/or sexual activity such as:
- i. Viewing another person's sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person's consent.
 - ii. Recording images (e.g. video, photograph) or audio of another person's sexual activity, intimate body parts, or nakedness where that person would have a reasonable expectation of privacy, without that person's consent;
 - iii. Disseminating images (e.g. video, photograph) or audio of another person's sexual activity, intimate body parts, or nakedness where that person would have a reasonable expectation of privacy, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to such disclosure; or
 - iv. Using or installing, or permitting the use or installation of a device for the purpose of recording another person's sexual activity, intimate body parts or nakedness in a place where the person would have a reasonable expectation of privacy without that person's consent.

Other important terms and concepts addressed in this Policy:

- a. **Consent** means affirmative consent.
- b. **Affirmative Consent** is a knowing, voluntary and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity or gender expression.
- i. Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.
 - ii. In order to give consent, one must be of legal age (17 years or older in New York).
 - iii. Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.
 - iv. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by lack of consciousness or being asleep, being

⁷ "Based on sex" includes sexual orientation, gender, gender expression and gender identity, including transgender status.

involuntarily restrained, or if the individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.

- v. Consent cannot be given when it is the result of any coercion, intimidation, force, or threat of harm.
- vi. Consent may be initially given but withdrawn at any time. When consent is withdrawn or can no longer be given, sexual activity must stop.
- c. **Sexual Act/Sexual Activity** is
 - i. Any form of vaginal, anal, or oral penetration or attempted penetration, however slight, by a penis, object, tongue or finger.
 - ii. Any sexual contact, including sexual touching. Sexual touching includes contact under or over clothing with another person's anus, breasts, buttocks, genitals, groin or inner thigh; touching another person anywhere with any of these body parts; making another person touch any of these body parts under or over clothing; or the emission of ejaculate on the clothing or body of another person.
- d. **Complainant** refers to the individual who alleges that they have been the subject of Sexual Misconduct, and may be a CUNY student, employee (including all full-time and part-time faculty and staff and paid/unpaid interns) or visitor. Under this Policy, the alleged incident(s) may have been brought to the college's attention by someone other than the complainant.
- e. **Confidentiality** is the commitment not to share any identifying information with others, except as required by law in emergency circumstances (such as risk of death or serious bodily harm). Confidentiality may only be offered by individuals who are not required to report known incidents of Sexual Misconduct to college officials. Licensed mental health counselors, medical providers and pastoral counselors may offer confidentiality. See additional discussion in Section VI.
- f. **Day** Whenever this Policy refers to a "day," it means a calendar day other than a Saturday, Sunday or federal or state holiday.
- g. **Knowingly submitting false statements or information** means knowingly making false statements or submitting false information in connection with any allegation of Sexual Misconduct (as opposed to providing information which, even if erroneous, is provided in good faith). Anyone who knowingly makes false statements or submits false information in connection with any allegation of Sexual Misconduct will be subject to disciplinary action in accordance with CUNY Bylaws, policies and collective bargaining agreements.
- h. **Non-Title IX Sexual Misconduct Matter** is the term used to describe allegations of Sexual Misconduct that do not meet the definition of Title IX Sexual Harassment and therefore will be resolved, investigated and adjudicated pursuant to the procedures outlined in Section XII.
- i. **Party** is a complainant or respondent.
- j. **Preponderance of evidence** is the standard of evidence used during the investigation and adjudication of Sexual Misconduct allegations under this Policy. A preponderance of the evidence means whether it is more likely than not that the Sexual Misconduct occurred.
- k. **Privacy** is the assurance that an individual or the college will only reveal information about allegations of Sexual Misconduct to those who need to know the information in order to carry out their duties or responsibilities or as otherwise required by law. Individuals who are unable to offer the higher standard of confidentiality under law, but who are still

committed to not disclose information more than necessary, may offer privacy. See additional discussion in Section VI.

- l. **Respondent** refers to the individual who is alleged to have committed Sexual Misconduct against a CUNY student, employee, or visitor.
- m. **Retaliation** is adverse treatment of an individual as a result of that individual's reporting Sexual Misconduct, assisting someone to report Sexual Misconduct, opposing in a reasonable manner an act or policy believed to constitute Sexual Misconduct, or participating in any manner (or refusing to participate) in an investigation or resolution under this Policy. Adverse treatment includes intimidation, threats, coercion or discrimination for the purpose of interfering with any right or privilege secured by this Policy. All individuals are prohibited from engaging in retaliation, including complainants, respondents and others, such as friends or relatives of the parties.
- n. **Title IX Formal Complaint** is a document filed by a complainant or signed by the Title IX Coordinator alleging Title IX Sexual Harassment against a respondent and requesting that the college investigate the allegations. The Title IX Coordinator may sign a Title IX Formal Complaint with or without a complainant's desire to participate in a grievance process.
- o. **Title IX Sexual Harassment Matter** is the term used to describe allegations of Sexual Misconduct that meet the definition of Title IX Sexual Harassment and therefore must be resolved, investigated and adjudicated pursuant to the Title IX grievance procedures required by the USDOE and outlined in Section XI.
- p. **Visitor** is any person other than a CUNY student or employee who interacts with the CUNY community. CUNY alumni are considered visitors under this Policy.
- q. **Writing** Whenever this Policy requires a "writing," electronic mail satisfies the writing requirement.

IV. **TITLE IX COORDINATOR**

Each college or unit of CUNY has an employee who has been designated as the Title IX Coordinator.⁸ This employee is responsible for compliance with Title IX of the Education Amendments of 1972, 20 U.S.C. chapter 38, which prohibits sex discrimination in education programs (including Title IX Sexual Harassment as it is defined above), New York State Law Article 129-B ("Enough is Enough") and other federal, state and local laws pertaining to sex discrimination and sexual misconduct. The Title IX Coordinator has overall responsibility for implementing this Policy, including overseeing the investigation of allegations of Sexual Misconduct at their college or unit (including Title IX Sexual Harassment matters and Non-Title IX Sexual Misconduct matters) and carrying out the other functions of that position set forth in this Policy. All Title IX Coordinators will receive annual training as required by Title IX, the Clery Act, Enough is Enough, and other civil rights laws. The name and contact information for all Title IX Coordinators at CUNY can be found on CUNY's dedicated [Title IX website](http://www1.cuny.edu/sites/title-ix/campus-websites/campus/university/).⁹ Title IX Coordinator training obligations are discussed in Section XIII.

⁸ Any reference to the Title IX Coordinator may also include their designee.

V. RESOURCES AND INFORMATION FOR INDIVIDUALS AFFECTED BY SEXUAL MISCONDUCT

CUNY is committed to providing assistance, support and resources to those affected by Sexual Misconduct. This Section discusses a complainant's option of reporting Sexual Misconduct to outside law enforcement, the differences between CUNY's process and procedures and those of outside law enforcement and how to obtain immediate medical attention and emotional support.

A. Reporting to Outside Law Enforcement

Students, employees and other community members may choose to report Sexual Misconduct to local law enforcement and/or state police ("outside law enforcement"). However, CUNY does not require that a complainant report Sexual Misconduct to outside law enforcement; nor will CUNY do so without the complainant's agreement, except in exceptional circumstances. The college may report Sexual Misconduct to outside law enforcement without the complainant's consent when the college determines that the respondent poses a serious continuing threat to the physical safety of the complainant or another person.

If a student, employee or other community member chooses to report Sexual Misconduct to outside law enforcement, CUNY will provide assistance. Each college Public Safety office must have an appropriately trained employee available at all times to provide the complainant with information regarding options to proceed, including information regarding the criminal justice process and the preservation of evidence. Campus Public Safety officers can also assist the complainant with reporting allegations both on and off-campus and in obtaining immediate medical attention and other services.

Additional information is available on CUNY's [Title IX website](#).

B. Differences between CUNY's Process and Procedures and Those of Outside Law Enforcement

In cases where the complainant reports allegations to outside law enforcement authorities as well as to the college, the college must determine what actions to take based on its own investigation. The college may coordinate with outside law enforcement authorities in order to avoid interfering with their activities and, where possible, to obtain information regarding their investigation. Neither a law enforcement determination whether to prosecute a respondent, nor the outcome of any criminal prosecution, is dispositive of whether the respondent has committed a violation of this Policy.

Students, employees and other community members should be aware that CUNY procedures and standards differ from those of criminal law. When CUNY investigates allegations of Sexual Misconduct or brings disciplinary proceedings for violations of this Policy, the issue is whether the respondent violated CUNY policy. The standard applied in making this determination is whether the preponderance of the evidence supports a finding of responsibility, or, stated another way, whether it is more likely than not that the alleged conduct occurred. An individual found to have violated this Policy may be sanctioned by the college and CUNY. In the criminal justice system, on the other hand, the issue is whether the accused violated criminal law. The standard

applied is proof beyond a reasonable doubt and an individual found guilty of a crime is subject to criminal penalties, such as incarceration, probation and fines. More information about relevant criminal laws is available in “[A Plain Language Explanation of Distinction Between the New York Penal Law and the College Disciplinary Processes](#).”¹⁰

C. Obtaining Immediate Medical Attention and Emotional Support

CUNY encourages anyone who has experienced Sexual Assault, Domestic Violence or Dating Violence to seek medical attention as soon as possible. Medical resources can provide treatment for injuries, preventative treatment for sexually transmitted diseases, emergency contraception and other health services. They can also assist in preserving evidence or documenting any injuries. Taking these steps promptly after an incident can be helpful if an individual later decides to pursue criminal charges or a protective order.

Individuals who have experienced or witnessed Sexual Assault, Domestic Violence or Dating Violence are also encouraged to seek emotional support, either on or off-campus.

On campus resources may include nurses and/or nurse practitioners at campus health offices and counselors at campus counseling centers. Counselors are trained to provide crisis intervention and provide referrals for longer-term care as necessary.

CUNY also maintains a [list of off-campus emergency contacts and resources](#)¹¹, including rape crisis centers, available throughout New York City on its dedicated web page. This includes a list of local hospitals designated as SAFE (Sexual Assault Forensic Examiner) hospitals, which are specially equipped to handle sexual assaults and trained to gather evidence from such assaults.

VI. IMPORTANT INFORMATION ABOUT REPORTING/CONFIDENTIALITY OBLIGATIONS OF COLLEGE AND CUNY EMPLOYEES

CUNY values the privacy of its students, employees and visitors and recognizes that they should be able to seek the assistance they need without fear that the information they provide will be shared more broadly. An individual who speaks to a college or CUNY employee about Sexual Misconduct should be aware that employees fall into three categories:

- a. **Confidential Employees** have an obligation to maintain a complainant's confidentiality regarding allegations of Sexual Misconduct and will not share any identifying information with others, except as required by law in emergency circumstances;
- b. **Responsible Employees** are required to report allegations of Sexual Misconduct to the Title IX Coordinator but will protect an individual's privacy to the greatest extent possible and share information with other staff only on a need-to-know basis; and
- c. **All other employees** are strongly encouraged, but not required to report allegations of Sexual Misconduct to the Title IX Coordinator. These employees are otherwise encouraged to protect an individual's privacy to the greatest extent possible and share information only with the Title IX Coordinator.

Note: Under the Clery Act, the College is required to maintain records, advise the government about reports of certain crimes and issue timely warnings when there is a serious, continuing threat to the community. Such reports and warnings do not disclose identifying information.

A. Confidential Employees

- a. **For Students.** Students who wish to speak to someone who will keep the communications confidential should speak to one of the following:
 - i. Counselor or other staff member at their college counseling center;
 - ii. Nurse, nurse practitioner or other college health office staff member;
 - iii. Pastoral counselor (a person associated with a religious order or denomination, recognized by that order or denomination as someone who provides confidential counseling and identified by CUNY as functioning within the scope of that recognition); or
 - iv. Designated staff member, if any, in a women's or men's center, if one exists at their college.

These individuals will not report the allegations to the college's Title IX Coordinator or other college employees without the student's permission. The only exception is in the case where there is an imminent threat of serious injury to the complainant or any other person.

If a student speaks solely to a confidential employee, the college will rarely be able to conduct an investigation into the allegations or pursue disciplinary action against the respondent. Confidential employees will assist students in obtaining other necessary support.

- b. **For Employees.** Although CUNY does not directly employ individuals to whom CUNY employees can speak on a confidential basis regarding Sexual Misconduct, free confidential support services are available through [CUNY's Work/Life](#)

[Program](#)¹², which is administered by an outside company. Confidential community counseling resources are also available [throughout New York City](#).¹³

Complainants may use these confidential resources even if they decide not to report allegations of Sexual Misconduct or participate in an investigation, CUNY resolution process or the criminal justice process. A complainant who first speaks to a confidential resource may later decide to report allegations to the college or with outside law enforcement.

B. Responsible Employees

Individuals designated as responsible employees have a duty to report allegations of Sexual Misconduct, including all relevant details, to the Title IX Coordinator. These employees are not permitted to maintain a complainant's confidentiality, but will maintain a complainant's privacy to the greatest extent possible, and information reported to them will be shared only with the Title IX Coordinator and other people responsible for handling the college's response to the report.

To the extent possible, before a complainant reveals any information to a responsible employee, the employee should advise the complainant of the employee's reporting obligations—and if the complainant wants to maintain confidentiality, direct the complainant to confidential resources.

CUNY has designated the following individuals as responsible employees:

- a. University Title IX Director
- b. College Title IX Coordinator and staff
- c. Office of Public Safety employees
- d. Vice President for Student Affairs or Dean of Students and all staff housed in those offices (other than staff that are designated as confidential employees)
- e. Residence Life staff in CUNY owned or operated housing, including Resident Assistants
- f. Directors and Deputy Directors of Human Resources
- g. College President, Vice Presidents and Deans
- h. Athletics Staff
- i. Department Chairpersons/Executive Officers
- j. CUNY Office of the General Counsel attorneys and College/unit attorneys
- k. College/unit labor designee
- l. Faculty and staff members at times when they are leading or supervising students on off-campus trips
- m. International Education Liaisons/Study Abroad Campus Directors and Field Directors
- n. All employees at Hunter College Campus Schools
- o. College Childcare Center staff
- p. Managers or supervisors, regarding alleged Sexual Misconduct involving people who report to them
 - i. **Managers** are employees who have authority to make tangible employment decisions with regard to other employees, including the authority to hire, fire, promote, compensate or assign significantly different responsibilities.

¹² <https://www.cuny.edu/about/administration/offices/hr/benefits/>.

¹³ <https://nownyc.org/womens-justice-now/get-help/>.

- ii. **Supervisors** are employees who are not managers, but have a sufficient degree of control over the working conditions of one or more employees, which might include evaluating their performance and making recommendations for changes in employment status that are given particular weight.

C. Special Rules Concerning Public Awareness and Advocacy Events

CUNY supports public awareness events that help provide its community with information about Sexual Misconduct and how it can be addressed and prevented. In order to preserve the ability to participate freely in public awareness and advocacy events, if an individual discloses information about Sexual Misconduct at such event (for example, Take Back the Night gatherings, candlelight vigils, or protests) the college will not treat the disclosure as triggering an obligation to commence an investigation based on that information. Such individuals are encouraged to report Sexual Misconduct to college officials so that the college can provide resources and assistance.

VII. REPORTING SEXUAL MISCONDUCT TO THE COLLEGE

In order for CUNY to address allegations of Sexual Misconduct, it has to learn about the allegations. Accordingly, CUNY strongly encourages individuals who have experienced Sexual Misconduct to report allegations to a designated campus official, as set forth in “Where to Report Allegations of Sexual Misconduct on Campus” below. The designated officials are trained to receive allegations of Sexual Misconduct, to ensure they are investigated in accordance with this Policy and to help complainants get necessary assistance. Students, employees and visitors are encouraged to report allegations of Sexual Misconduct to campus officials, regardless of whether they have reported the incident to outside law enforcement authorities and regardless of where the incident took place.

A. Complainant’s Rights

Individuals who have experienced Sexual Misconduct have the right to report allegations to the college or to decide not to do so. Students who report Sexual Misconduct have all of the rights contained in the Students’ Bill of Rights (copy attached).

Complainants also have these rights:

- a. To notify campus Public Safety and/or outside law enforcement, or to choose not to report.
- b. To have emergency access to a college official trained to interview victims of sexual assault and able to provide certain information, including reporting options and information about confidentiality and privacy. The official will, where appropriate, advise about the importance of preserving evidence and obtaining a Sexual Assault Forensic Examination (“SAFE”) as soon as possible. The official will also explain that the criminal process uses different standards of proof and evidence, and that any questions about whether an incident violated criminal law should be addressed to a law enforcement official or a district attorney’s office.
- c. To disclose the incident to a college representative who can offer confidentiality or privacy and assist in obtaining services. See Section VI, above.
- d. To describe the incident only to those campus officials who need the information in order to properly respond and to repeat the description as few times as practicable (subject to the procedures outlined in Sections XI and XII).
- e. To have allegations of Sexual Misconduct investigated in accordance with CUNY policy.
- f. To have privacy preserved to the extent possible.
- g. To receive assistance and resources on campus, including confidential and free on-campus counseling, and to be notified of other services available on and off campus, including the New York State Office of Victim Services.
- h. To disclose the incident to the college’s Human Resources Director or designee (if the respondent is a college employee) or request that a confidential or private resource assist in doing so.
- i. To disclose the incident confidentially and obtain services from state and local governments.

- j. To receive assistance from the campus or others in filing a criminal complaint, initiating legal proceedings in family court or civil court, and/or seeking an Order of Protection or the equivalent. In New York City, this assistance is provided by Family Justice Centers located in each borough.
- k. To receive assistance with effecting an arrest when an individual violates an Order of Protection, which may be provided by assisting local law enforcement in effecting such an arrest.
- l. To withdraw allegations or involvement from the process at any time.

B. Where to Report Allegations of Sexual Misconduct on Campus

Students, employees and visitors who experience Sexual Misconduct and wish to report the allegations to the college/CUNY, should notify one of these campus officials/offices:

- a. Title IX Coordinator;
- b. Office of Public Safety;
- c. Office of Vice President for Student Affairs or Dean of Students;
- d. Residence Life staff in CUNY owned or operated housing; or
- e. Human Resources Director.

Contact information for these officials can be found at CUNY's [Title IX Website](#). Complainants are encouraged, but not required, to complete the CUNY Sexual Misconduct Allegation Form. After the form is filled out, it should be brought to one of the offices listed above or submitted electronically through the college's Title IX website (where available) or by email. The college will also respond to allegations made without the form, whether oral or written.

When any of the officials or offices above is notified of allegations of Sexual Misconduct, they will provide a copy of this Policy to the complainant and coordinate with appropriate college offices to address the matter in accordance with this Policy, including providing appropriate supportive measures (addressed in Section VIII, below). These officials and offices will maintain a complainant's privacy to the greatest extent possible, and all information in connection with the allegations, including the identities of the complainant and the respondent, will be shared only with those who have a legitimate need for the information.

C. Request that the College Maintain a Complainant's Anonymity or Not Conduct an Investigation

Whether a college may maintain a complainant's anonymity or request to not conduct an investigation, depends on whether the allegations will proceed as a Title IX Sexual Harassment matter or a Non-Title IX Sexual Misconduct matter (See Section X).

If the allegations will proceed as a Title IX Sexual Harassment matter, the Title IX Coordinator must inform the complainant that the complainant's identity may not be kept anonymous if the complainant wishes to proceed with a Title IX Formal Complaint, and that the notice to the respondent will reveal the complainant's identity. The complainant may choose whether to file a Title IX Formal Complaint when so informed. If the complainant chooses not to file a Title IX Formal Complaint, their identity will not be disclosed to the respondent.

If the allegations will proceed as a Non-Title IX Sexual Misconduct matter, a complainant may request: (a) that the matter be investigated only to the extent possible without further revealing their identity or revealing further details and/or (b) that no investigation into a particular incident be conducted. If a complainant makes such a request, the Title IX Coordinator will weigh the complainant's request against the college's obligation to provide a safe, non-discriminatory environment for all students, employees and visitors, including the complainant. Factors used to determine whether to honor such a request include, but are not limited to: (a) whether the respondent has a history of violent behavior or is a repeat offender; (b) whether the incident represents escalation of unlawful conduct by the accused from previously noted behavior; (c) any increased risk that the accused will commit additional acts of violence, (d) whether the accused used a weapon or force; (e) whether the complainant is a minor; (f) whether the college possesses other means to obtain evidence such as security footage and (g) whether available information reveals pattern of misconduct at a given location or by particular group.

The college's decision to maintain the complainant's anonymity does not mean that anonymity can be guaranteed in all circumstances; rather, the college will make reasonable efforts to keep information confidential consistent with law. Of course, a college's ability to meaningfully investigate the incident and pursue disciplinary action may be limited by such a request for anonymity. Notwithstanding the decision of the Title IX Coordinator regarding the scope of any investigation, the college will provide the complainant with ongoing assistance and support, including, where appropriate, the supportive measures and accommodations set forth in Section VIII of this Policy.

D. Filing External Complaints

Individuals who feel that they have been subjected to Sexual Misconduct have the right to avail themselves of any and all of their rights under law, including but not limited to filing complaints with one or more of the outside agencies listed below:

- a. [U.S. Department of Education, Office for Civil Rights](http://www2.ed.gov/about/offices/list/ocr/complaintprocess.html)¹⁴
- b. [U.S. Equal Employment Opportunity Commission](https://www.eeoc.gov/federal/fed_employees/filing_complaint.cfm)¹⁵
- c. [New York State Division of Human Rights](https://dhr.ny.gov/complaint)¹⁶
- d. [New York City Commission on Human Rights](http://www1.nyc.gov/site/cchr/about/resources.page)¹⁷

In certain circumstances, the college or unit may close an investigation upon the filing of an external complaint. When this happens, the outside agency takes over the investigation and the college or unit will cooperate with the investigation conducted by the outside agency. If a college or unit closes an investigation for this reason, the Title IX Coordinator must notify the parties in writing.

¹⁵ https://www.eeoc.gov/federal/fed_employees/filing_complaint.cfm.

¹⁶ <https://dhr.ny.gov/complaint>.

¹⁷ <http://www1.nyc.gov/site/cchr/about/resources.page>.

E. Action by Bystanders

CUNY encourages employees, students and visitors to take reasonable and prudent actions to prevent or stop an act of Sexual Misconduct that they may witness, unless doing so would pose a safety risk to themselves or others. Although these strategies will depend on the circumstances, they may include direct intervention, calling law enforcement or seeking assistance from a person in authority.

In addition, CUNY encourages employees, students and visitors to report any incident of Sexual Misconduct that they observe or become aware of to the Title IX Coordinator or the offices referenced in Section VII-B, above. Individuals who take action in accordance with this paragraph will be supported by the college, and anyone who retaliates against them will be subject to discipline.

F. Amnesty for Drug and Alcohol Use

The health and safety of every student at CUNY is of the utmost importance. CUNY recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at a time that Sexual Misconduct occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. CUNY strongly encourages students to report Sexual Misconduct to college officials. A bystander or complainant acting in good faith who discloses any incident of Sexual Misconduct to college officials or law enforcement will not be subject to discipline under [CUNY's Policy on Drugs and Alcohol](#)¹⁸ for violations of alcohol and/or drug use policies occurring at or near the time of the Sexual Misconduct.

G. Reporting Retaliation

An individual may report allegations of retaliation to the Title IX Coordinator if the individual has been subject to retaliation, as defined in Section III. All retaliation allegations will be investigated in accordance with the investigation procedures set forth in this Policy, and individuals who are found to have engaged in retaliation will be subject to disciplinary action.

¹⁸ <https://www.cuny.edu/wp-content/uploads/sites/4/page-assets/about/administration/offices/legal-affairs/policies-procedures/Policy-Against-Drugs-and-Alcohol.pdf>.

VIII. SUPPORTIVE MEASURES AND ACCOMMODATIONS

Supportive measures and accommodations are non-disciplinary, non-punitive individualized services designed to restore or preserve equal access to education and to ensure safety, prevent retaliation and avoid an ongoing hostile environment. Supportive measures and accommodations are available to complainants, respondents and other affected parties. Supportive measures are available when a college becomes aware of allegations of Sexual Misconduct (including both Title IX Sexual Harassment matters and Non-Title IX Sexual Misconduct matters), whether or not a complainant chooses to move forward with an investigation and/or resolution. Supportive measures may be provided on an interim or continuing basis. The college may also take reasonable measures to ensure the safety of the college community at large.

The Title IX Coordinator is responsible for coordinating and ensuring the effective implementation of supportive measures and accommodations. When a college learns of allegations of Sexual Misconduct, the Title IX Coordinator will promptly contact a complainant to discuss the availability of supportive measures and accommodations, discuss the complainant's wishes with respect to supportive measures and accommodations and inform complainant that supportive measures and accommodations are available even if the complainant does not wish to proceed with an investigation and/or resolution of the allegations. Requests for supportive measures and accommodations should be made to the Title IX Coordinator.

The Title IX Coordinator will work with the Chief Student Affairs Officer¹⁹ to identify a trained staff member to assist students to obtain supportive measures and accommodations. The Title IX Coordinator will work with the Human Resources Director to assist employees to obtain supportive measures and accommodations.

A. Range of Supportive Measures and Accommodations

Possible supportive measures and accommodations may include:

- a. Making appropriate changes to academic programs, including changes in class schedule, accommodations to permit students to take an incomplete or drop a course or courses without penalty, permitting students to attend a class via videoconference platform or other alternative means, providing an academic tutor, or extending deadlines for assignments;
- b. Making appropriate changes to residential housing situations or providing assistance in finding alternate housing;
- c. Changing an employee's work assignment or schedule;
- d. Providing an escort to and from class or campus work location;
- e. Arranging appropriate transportation services to ensure safety;
- f. Offering counseling services through the college Counseling Center or other appropriate office, or referral to an off-campus agency;
- g. Enforcing an Order of Protection issued by a court;
- h. Issuing a No Contact Order whereby continued intentional contact would be a violation of CUNY Policy and subject to disciplinary action (see discussion below); and

¹⁹ Any reference to the Chief Student Affairs Officer may also include their designee.

- i. Emergency removal of a respondent when they pose an imminent threat to the physical health or safety of any person (see discussion below).

B. No Contact Orders

A No Contact Order is a directive issued by a college prohibiting intentional contact or communication between specified parties. An individual who intentionally violates a No Contact Order is in violation of CUNY Policy and will be subject to disciplinary action. No Contact Orders may be issued for both complainants and respondents, as well as other individuals as appropriate. No Contact Orders are issued by the Chief Student Affairs Officer (for students) and the Director of Human Resources (for employees).

C. Emergency Removal

In exceptional circumstances, where a respondent presents an immediate threat to the physical health or safety of any student or other individual arising from a report of Sexual Misconduct, the college may effectuate an emergency removal of a student or take similar emergency measures against an employee, consistent with applicable CUNY Bylaws and policies.

Prior to emergency removal under this Section, the President or their designee will, in cooperation with the appropriate campus officials, conduct an individualized safety and risk analysis to determine whether a respondent presents an immediate threat to the physical health or safety of any person arising from a report of Sexual Misconduct. The college will give the student respondent notice and an opportunity to challenge the decision immediately following the removal (see Section VIII-D, below). Both parties will be notified at the same time and in the same manner of the emergency removal and if or when the emergency removal is lifted.

D. Process for Review of Supportive Measures and Accommodations, Including No Contact Orders and Emergency Removal

Parties may request a prompt review of the need for and terms of supportive measures that directly affect them, including No Contact Orders and emergency removal. Issues that may be raised include possible modification or discontinuance of a No Contact Order.

If either party is a student, a request for review must be made to the college's Chief Student Affairs Officer. If neither party is a student, a request for review must be made to the college's Human Resources Director. If a case involves both a student and an employee, the Chief Student Affairs Officer will consult with the Human Resources Director before making a decision. Requests for review must be in writing and parties may submit evidence to support their request. All requests will be reviewed within seven (7) days after receipt.

IX. EVALUATION OF INITIAL ALLEGATIONS OF SEXUAL MISCONDUCT

Upon learning of allegations of Sexual Misconduct, the Title IX Coordinator will evaluate whether the alleged behavior falls within the scope of Title IX Sexual Harassment. If the alleged Sexual Misconduct meets these criteria, it must proceed as a Title IX Sexual Harassment matter:

- a. the allegations, if true, meet the definition of Title IX Sexual Harassment as defined above in Section III; and
- b. at the time the allegations are made, the complainant is participating in, or attempting to participate in an education program or activity at CUNY.

If the alleged Sexual Misconduct does not meet the above criteria, the allegations will proceed as a Non-Title IX Sexual Misconduct matter. For allegations that involve multiple incidents of Sexual Misconduct, some of which qualify as a Title IX Sexual Harassment matter and some of which qualify as a Non-Title IX Sexual Misconduct matter, the allegations will proceed as a Title IX Sexual Harassment matter. Allegations of discrimination covered by CUNY's Equal Opportunity and Non-Discrimination Policy will continue to be referred to the Chief Diversity Officer and handled pursuant to separate procedures outlined in that policy.

Rights and procedures that apply to all Sexual Misconduct matters are addressed in Section X. Procedures for the investigation, resolution and/or adjudication of Title IX Sexual Harassment matters are addressed in Section XI. Procedures for the investigation, resolution and/or adjudication of Non-Title IX Sexual Misconduct matters are addressed in Section XII.

X. RIGHTS AND PROCEDURES THAT APPLY TO ALL SEXUAL MISCONDUCT MATTERS

The following rights and procedures apply to all allegations of Sexual Misconduct, regardless of whether the allegations will proceed as a Title IX Sexual Harassment matter or a Non-Title IX Sexual Misconduct matter.

A. Rights of Parties during any Investigation and Resolution

Parties will have the following rights when an investigation or resolution is initiated under either Section XI or XII of this Policy:

- a. To an investigation and process that is fair, impartial, timely, thorough and provides a meaningful opportunity to be heard;
- b. To have the allegations investigated and/or adjudicated by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartiality, and the rights of the respondent, including the right to a presumption that the respondent is "not responsible" until any finding of responsibility;
- c. To have the allegations investigated, resolved and/or adjudicated by individuals who are free from a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent;
- d. To have the college's judicial or conduct process run concurrently with any criminal justice investigation and proceeding, except for temporary delays requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than ten (10) days except when law enforcement specifically requests and justifies a longer delay;
- e. To an investigation process where the burden of proof and burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the college and not on the parties;
- f. To receive reasonable advance written notice of any meeting they are required to or eligible to attend;
- g. To exclude their own prior sexual history with persons other than the other party in the investigation or conduct process and their own mental health diagnosis and/or treatment, subject to certain exceptions described in Sections XI and XII;
- h. To offer evidence during the investigation;
- i. To have irrelevant evidence excluded from any hearing;
- j. To review documents and tangible evidence, consistent with the Family Educational Rights and Privacy Act ("FERPA") and other laws (see Sections XI or XII for additional details);
- k. To be accompanied by an advisor of their choice (who may be an attorney), who may assist and advise throughout the process, including during all related meetings and hearings. Advisors must comply with applicable CUNY policies and procedures;²⁰
- l. To simultaneous notice of the outcome of proceedings, including written notice of findings of fact, decisions and sanctions if any, as well as the rationale for the decision and any sanction;

²⁰ For Title IX Sexual Harassment matters, CUNY will provide an advisor to any party who does not have one, for the limited purpose of conducting cross examination at a hearing. See Section XI-E-c-ii for more information.

- m. To access to a full and fair record of any hearing;
- n. To protection against retaliation as defined in Section III; and
- o. To protection against the provision of false statements and evidence, as defined in Section III.

B. Informal Resolution

Informal Resolution is an alternative to the formal investigation and adjudication procedures outlined in Sections XI and XII and may include administrative resolution (such as a mutual agreement to abide by a No Contact Order), acceptance of responsibility and penalty, mediation or other alternative dispute resolution. In some cases, informal resolution may represent a beneficial outcome for both parties by providing an alternative to the formal investigation and adjudication process.

This informal resolution process is available in matters proceeding as Title IX Sexual Harassment matters and Non-Title IX Sexual Misconduct matters, except in cases involving Title IX Sexual Harassment allegations by a student against an employee.

Informal resolution may take place at any point prior to a determination of responsibility. For Title IX Sexual Harassment matters, informal resolution is available after a Title IX Formal Complaint is filed. The Title IX Coordinator must consider every eligible case for informal resolution. When the Title IX Coordinator determines that it is appropriate to refer a matter for informal resolution, the Title IX Coordinator will provide the parties with written notice that an informal resolution is being offered to resolve the allegations. This written notice will include:

- a. A description of the allegations;
- b. The requirements of the informal resolution process, including the circumstances under which an informal resolution will preclude the parties from resuming an investigation and formal resolution arising from the same allegations;
- c. Potential consequences resulting from participating in the informal resolution process, including what records will be maintained or could be shared with the other party; and
- d. Notice that either party has the right to withdraw from the informal resolution process and resume an investigation and formal resolution process at any time prior to agreeing to an informal resolution.

Both parties must agree to begin the informal resolution process. The time frame for investigations will be tolled while the parties engage in the informal resolution process. The Title IX Coordinator must reevaluate the parties' progress towards informal resolution every thirty (30) days and has the discretion to terminate the informal resolution process and resume the investigation at any time.

Upon referral by the Title IX Coordinator, the informal resolution process is conducted by a qualified staff or faculty member designated by the Title IX Coordinator, in coordination with the Chief Student Affairs Officer or a designated Human Resources representative, as applicable. Either party has the right to end the informal resolution process at any time prior to finalizing an informal resolution agreement.

Any agreement reached through informal resolution must be acceptable to both parties and the college. If a resolution is reached, the parties will be notified in writing, and a written memorandum

will memorialize the agreed upon resolution. Both parties must provide their voluntary, written consent before an informal resolution agreement is finalized. Once finalized, the obligations in the agreement will be binding and the allegations of Sexual Misconduct (and for Title IX Sexual Harassment matters, the Title IX Formal Complaint) will be deemed resolved. Once finalized, this memorandum will be maintained for seven (7) years, in compliance with recordkeeping requirements outlined in Section X-J.

Information learned as a direct result of the informal resolution process will not be documented in an investigatory report or subsequent adjudication. However, information learned from another source will not be excluded from an investigatory report or subsequent adjudication merely because it was discussed or raised during the informal resolution process. The staff or faculty member conducting the informal resolution process is precluded from participating as a witness in the investigation or participating as a witness or presenter in a subsequent adjudication. Violations of informal resolution agreements will be referred for discipline or other appropriate action in accordance with CUNY Bylaws, policies and collective bargaining agreements.

C. CUNY-wide Sexual Misconduct Panel and Committee Structure

CUNY will constitute a CUNY-wide Sexual Misconduct Panel (“the Panel”) comprised of faculty members, Higher Education Officer series employees (“HEO”), and students from its constituent campuses, from which members will be drawn to serve as the decision-maker at hearings (Adjudication Committee) and the decision-maker of appeals (Appeal Committee) for both Title IX Sexual Harassment matters and Non-Title IX Sexual Misconduct matters. CUNY will consult with each College President to help constitute the Panel. When selecting faculty members, the President shall consult with the faculty member who is the head of the appropriate campus governance body or where the President is the head of the governance body, the faculty members of its executive committee. Each Panel member should be specially trained annually on the relevant law and this Policy.

Each Adjudication and Appeal Committee shall be comprised of three members of the Panel. Panel members will be selected on a rotation basis and will serve CUNY-wide, but will not serve on cases from their home campus. For cases in which the respondent is a student, each Committee will consist of one (1) faculty member or one (1) HEO, one (1) student member and a chairperson, who will be a faculty member or HEO. For cases in which the respondent is a faculty member, each committee will consist of two (2) faculty members and a chairperson, who may be a faculty member or HEO. For cases in which the respondent is an HEO, each committee will consist of two (2) HEOs and a chairperson, who may be a faculty member or HEO. For all other cases in which the respondent is an employee, each committee will consist of two (2) faculty members or one (1) faculty member and one (1) HEO and a chairperson, who may be either a faculty member or HEO.

The chairperson of each Committee will preside at all meetings and decide and make all procedural rulings for the Committee. The Committee will collectively decide by majority vote whether the respondent is responsible for the alleged Policy violation(s). Hearings will be scheduled promptly (including during the summers) at a convenient time and efforts must be made to ensure full student and faculty representation.

In the event that any Committee member, including the chairperson, cannot continue, the University Title IX Director will appoint another Committee member from the Panel to fill the vacant seat.

Panel members will not participate in a case if they have been involved in the investigation, will be participating in the hearing as a witness or if they have a direct interest in the outcome of the matter. Panel members will not serve on a Committee if they have previously participated in a case involving the same parties.

D. Conflict/Bias

If a party believes that any individual involved in the investigation, resolution, adjudication or appeals process has a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, either party may make a request to have that conflicted or biased individual removed from the process. Requests for removal must be made in writing within five (5) days of the notification that the individual is to be involved and include a detailed description of the conflict or bias. Requests for removal of a member of the Adjudication Committee must be made at least one (1) day before a hearing. All requests for removal must be directed to the University Title IX Director. After receiving a request for removal, the University Title IX Director will ask the individual with the alleged conflict or bias to provide a short, written response to the request for removal and consider that response before making a determination. If a conflict or bias exists, the University Title IX Director will take immediate steps to replace that investigator, informal resolution facilitator or Committee member to ensure an impartial and fair process.

If any administrator designated by this Policy to participate in the investigation or resolution of Sexual Misconduct allegations is the respondent, the College President will appoint another college administrator to perform such person's duties under this Policy. If the President is the respondent, the investigation will be handled by the University Title IX Director or designee. In other appropriate cases in which a high-level administrator is the respondent, the investigation may be referred for investigation to the University Title IX Director or designee.

E. Appeals From the Adjudication Committee's Determination of Responsibility

A party may appeal the Adjudication Committee's determination of responsibility and/or the penalty imposed on the following grounds:

- a. Procedural irregularity that affected the outcome of the matter
- b. New evidence that was not reasonably available at the time of the hearing, which could affect the outcome of the matter
- c. The Title IX Coordinator, investigator or Adjudication Committee had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter;²¹ or
- d. The disproportionate nature of the penalty.

²¹ Allegations of conflict or bias will be considered waived unless they are raised in a timely manner, pursuant to Section X-D, above.

The Appeal Committee may modify the penalty or remand the matter for a new hearing.

Parties intending to appeal under this section must send a written Notice of Appeal to the University Title IX Director within fifteen (15) days after the delivery of the written determination of responsibility. The University Title IX Director will notify the non-appealing party in writing within five (5) days of receipt of the Notice of Appeal and will instruct the college to provide the hearing recording to the parties. The college will provide the hearing recording to the parties in a timely manner.

The appealing party must submit their written appeal to the University Title IX Director within fifteen (15) days after the delivery of the hearing recording. The University Title IX Director will provide the appealing party's submission to the non-appealing party within five (5) days of submission. The non-appealing party will have the opportunity to submit a written response to the appeal, due within fifteen (15) days after the delivery of the appealing party's submission.

The University Title IX Director will facilitate the composition and scheduling of the Appeal Committee, which will be comprised of members of the CUNY-wide Sexual Misconduct Panel. The composition of the Appeal Committee is described above in Section X-C. Panel members that served on the Adjudication Committee will not serve on the Appeal Committee for the same matter.

The Appeal Committee will review the hearing materials and written submissions of the parties. The Appeal Committee will issue a written decision that indicates the final outcome and rationale for that decision within fifteen (15) days of receipt of the non-appealing party's written submission or failure to provide a submission. The written decision will be provided simultaneously to both parties.

F. Hearing Recording

The college shall make a recording of each hearing by some means such as a stenographic transcript, an audio recording or the equivalent. No other recording of the proceedings is permitted. A respondent who has been found responsible after a hearing is entitled upon request to a copy of such a record without cost upon the condition that it is not to be disseminated except to the respondent's advisor. In the event of an appeal, the parties will be provided a copy of such a record without cost, upon the condition that it is not to be disseminated except to their advisors.

G. Prohibition on Unauthorized Copying or Recording

The parties are prohibited from recording any part of the investigation and grievance process and from unauthorized copying of documents or materials. Copying includes but is not limited to: audio or video recording, streaming, photographing, scanning, transcribing, or any other form that conflicts with the spirit of this directive. Allegations of non-compliance will be reviewed by the Office of Student Affairs, or Human Resources, as appropriate, and may result in disciplinary action.

H. Student Respondent Withdrawal Before Allegations are Resolved

A student who withdraws from CUNY shall not be exempt from a Sexual Misconduct investigation or adjudication that commenced prior to withdrawal. When a student respondent withdraws from CUNY with a Sexual Misconduct investigation or adjudication pending, the respondent will be barred from attending any other college, school, or unit of CUNY until the investigation and/or adjudication is complete or the allegations are otherwise resolved. If the respondent fails to appear at a subsequent hearing, the college may proceed in absentia, and any decision and sanction shall be binding, pending appeal.

When a college is notified of a respondent's withdrawal, the college must place a notation on the respondent's transcript that the respondent "withdrew with conduct charges pending." If the respondent is subsequently found not responsible at a hearing, the transcript notation will be removed. If the respondent is subsequently found responsible at a hearing and the penalty is either suspension or expulsion, the transcript notation will be adjusted in accordance with Section X-I, below.

When a student respondent transfers colleges within CUNY while an investigation is pending, the college that instituted the investigation must complete the investigation before transferring the matter to the respondent's new institution for adjudication.

I. Transcript Notations

When a student respondent is found responsible and the penalty is either suspension or expulsion, the college must place a notation on the respondent's transcript stating that respondent "was suspended [or expelled] after a finding of responsibility for a code of conduct violation."

For all other cases, after four years from the date of the conclusion of the disciplinary proceeding, or one year after the conclusion of any suspension, whichever is later, the respondent has the right to request that a transcript notation from a finding of responsibility be removed. In cases where a student respondent was expelled as a result of a Clery Act crime of violence,²² including but not limited to sexual assault, the notation will not be removed. If a finding of responsibility is vacated for any reason, the notation must be removed.

J. Recordkeeping

All records related to a college's response to allegations of Sexual Misconduct must be maintained by the college for 7 years from the last action on a matter, unless such records must be maintained for a longer period of time pursuant to CUNY's Records Retention and Disposition Schedule. These records include: records of any actions, including any supportive measures or accommodations taken in response to allegations of Sexual Misconduct; investigation records, materials, and documents; determinations regarding responsibility and disciplinary sanctions; remedies provided to a complainant designed to restore or preserve equal access to CUNY's

²² See 20 U.S.C. 1092(f)(1)(F)(i)(I)-(VIII).

education program or activity; any appeals and the result; any informal resolution and the result; and any recordings or transcripts of hearings.

CUNY's Records Retention and Disposition Schedule requires that student disciplinary records be maintained permanently.

XI. PROCEDURES FOR TITLE IX SEXUAL HARASSMENT MATTERS

The following procedures apply only to Title IX Sexual Harassment matters.

A. Requirement of a Title IX Formal Complaint

The Title IX Coordinator will determine if the manner in which the initial allegations were reported meets the criteria of a Title IX Formal Complaint, which is required to initiate a grievance process or resolution.

A Title IX Formal Complaint is a document filed by a complainant or signed by the Title IX Coordinator alleging Title IX Sexual Harassment (as defined in Section III) against a respondent and requesting that the college investigate the allegations. The Title IX Coordinator may sign a Title IX Formal Complaint with or without a complainant's desire to participate in a grievance process. A Title IX Formal Complaint may be a physical document, email or electronic submission through a campus online form, so long as it contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the complaint.

If the manner in which the initial allegations were reported does not meet the criteria of a Title IX Formal Complaint, the Title IX Coordinator will contact the complainant to explain how to file a Title IX Formal Complaint and notify them that a Title IX Formal Complaint is required to resolve the allegations.

If no Title IX Formal Complaint is received within a reasonable time, the Title IX Coordinator may administratively close the matter. A complainant may file a Title IX Formal Complaint at any time thereafter.

B. Initiation of Title IX Grievance Procedure

Upon receipt of a Title IX Formal Complaint, the Title IX Coordinator will notify the known parties that the college is commencing a Title IX grievance procedure. The notice will be in writing and will include the following:

- a. CUNY's Policy on Sexual Misconduct;
- b. Notice of the allegations, including sufficient details known at the time notice is sent, including the date, time and location of the alleged behavior, the identity of the parties and the specific act or acts that are alleged to violate the Policy's prohibition of Title IX Sexual Harassment, defined in Section III;
- c. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- d. A statement that the allegations outlined in the notice may not be the final allegations considered by the college, and notice that if the college decides to investigate additional allegations, the college will provide notice of the additional allegations in a timely manner and with sufficient time for the parties to prepare for any hearing;
- e. Notice that the parties may have an advisor of their choice, who may be an attorney;
- f. Notice that parties may inspect and review evidence, as outlined in Section XI-E-b;

- g. Notice that the parties are entitled to written notice of the date, time, location, participants and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate in any hearing, investigative interview or meeting;
- h. Notice that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the college and not on the parties;
- i. CUNY's prohibition on knowingly making false statements or knowingly submitting false information during the grievance process, as defined in Section III; and
- j. CUNY's prohibition on retaliation, as defined in Section III.

This notice will be provided at least five (5) days before any initial interview unless a party consents to a shorter period.

C. Informal Resolution

A Title IX Formal Complaint may be resolved through an informal resolution process (Section X- B).

D. Dismissal of Title IX Formal Complaint Prior to Resolution

- a. **Mandatory Dismissals** - If, at any time after receipt of a Title IX Formal Complaint, it becomes clear that the allegations, if true, do not meet the definition of Title IX Sexual Harassment, the Title IX Coordinator must dismiss the Title IX Formal Complaint.
- b. **Discretionary Dismissals** - The Title IX Coordinator may dismiss a Title IX Formal Complaint, or any allegations therein, if:
 - i. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the Title IX Formal Complaint or any allegations therein;
 - ii. The respondent is no longer enrolled or employed by CUNY; or
 - iii. Specific circumstances exist that prevent the college from gathering evidence sufficient to reach a determination as to the Title IX Formal Complaint or allegations therein.
- c. **Process following dismissal of Title IX Formal Complaint** - Upon mandatory or discretionary dismissal of a Title IX Formal Complaint, the Title IX Coordinator must determine whether the allegations will proceed as a Non-Title IX Sexual Misconduct matter. The parties will be notified of the dismissal in writing and provided an opportunity to appeal, as discussed in Section XI-D-d. This notice will include:
 - i. The basis for the dismissal;
 - ii. Whether the allegations will proceed as a Non-Title IX Sexual Misconduct matter; and
 - iii. The parties' right to appeal the dismissal and the procedures to do so.

- d. Appeal** - Either party may appeal the dismissal of a Title IX Formal Complaint on the following grounds:
 - i.** A procedural irregularity affected the outcome of the matter;
 - ii.** New evidence that was not reasonably available at the time the dismissal was made, that could affect the outcome of the matter; and/or
 - iii.** The Title IX Coordinator had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent, that affected the outcome of the matter.

Appeals under this section must be directed to the University Title IX Director in writing within five (5) days after the delivery of the written dismissal notice.

The University Title IX Director will notify the non-appealing party in writing within five (5) days of the receipt of any appeal under this section, and will notify the non-appealing party of their opportunity to submit a written statement in support of, or challenging the dismissal of the Title IX Formal Complaint, due within five (5) days after the delivery of written notice from the University Title IX Director. The University Title IX Director will issue a written decision describing the result of the appeal and the rationale for the result within fifteen (15) days of the receipt of the appeal or within fifteen (15) days of the receipt of the opposing party's submission, whichever is longer. The University Title IX Director will provide the written decision simultaneously to both parties.

A Title IX Coordinator must wait until an appeal under this section is decided by the University Title IX Director before taking any further action as a Non-Title IX Sexual Misconduct matter.

E. Formal Resolution and Investigation

a. Rights of the Parties

When a Title IX Formal Complaint proceeds to formal resolution and investigation, the parties have the following rights in addition to those outlined in Section X-A:

- i.** To have the Title IX Formal Complaint investigated, resolved and/or adjudicated by individuals who receive training as required by federal regulation;
- ii.** To an evaluation of all relevant evidence, including both inculpatory and exculpatory evidence and credibility determinations that are not based on a person's status as a complainant, respondent or witness;
- iii.** To receive reasonable advance written or electronic notice of allegations, including the date, time, location and general description of the allegations, as well as the specific conduct rule or law violated and the possible sanction;
- iv.** To exclude questions and evidence about their own sexual predisposition or prior sexual behavior, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent (complainant only);
- v.** To exclusion (including the college's access, consideration, disclosure or other use) of a party's records that are made or maintained by a physician, psychiatrist, psychologist or

- other recognized professional or paraprofessional, and which are made and maintained in connection with the provision of treatment to the party, unless the college obtains the party's voluntary, written consent;
- vi. To offer evidence during the investigation, including both fact and expert witnesses and other inculpatory and exculpatory evidence;
 - vii. To an investigative report that fairly summarizes relevant evidence;
 - viii. To inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Title IX Formal Complaint, including inculpatory or exculpatory evidence whether obtained from a party or other source, consistent with FERPA and other law; and to submit a written response within ten (10) days of receiving said evidence and to have that written response considered by the Title IX Coordinator prior to the investigative report being finalized;
 - ix. To review the investigative report at least ten (10) days prior to any hearing and to respond in writing prior to a hearing or other time of determination regarding responsibility; and
 - x. To a live hearing and cross examination; CUNY will provide an advisor to any party who does not have one, for the limited purpose of conducting cross examination at a hearing.

b. Investigation

The Title IX Coordinator is responsible for conducting investigations in a prompt, thorough, and impartial manner. Whenever an investigation is conducted, the Title IX Coordinator must:

- i. Inform the parties that a Title IX grievance procedure and investigation is being commenced and their rights during such investigation, as outlined in Sections X-A and XI-E-a;
- ii. Coordinate investigative efforts with other appropriate offices;
- iii. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the college and not on the parties; and
- iv. Interview witnesses who might reasonably be expected to provide information relevant to the allegations, and review relevant documents and evidence.

The college must make reasonable efforts to ensure that the investigation is carried out within a reasonably prompt timeframe. While some allegations may require more extensive investigation, when possible, the investigation of a Title IX Formal Complaint must be completed within one hundred-twenty (120) days of receipt of the Title IX Formal Complaint (including the evidence review process, completion of the investigative report and report review process, as discussed below).

If there is a delay in completing the investigation, the Title IX Coordinator must notify the parties in writing and indicate the reason for the delay. The Title IX Coordinator should also note the reason for delay and projected timeline for completing the investigation in their case file. The reason for extension of the time frame of an investigation may include, but is not limited to: compliance with a request by law enforcement; a limited accommodation for the availability of parties, their advisors and witnesses; students on leave; exam periods, school breaks or vacations; and accounting for the complexities of a specific investigation, including the number of witnesses and volume of information provided by the parties.

i. Post Investigation Review of Relevant Documents and Materials

Prior to the completion of the investigative report (discussed below), the Title IX Coordinator will send the parties (either in hard copy or electronic form) all of the relevant documents and materials gathered during the investigation that are directly related to the allegations raised in the Title IX Formal Complaint. These materials include any evidence upon which the Title IX Coordinator does not intend to rely when making a determination regarding responsibility and inculpatory or exculpatory evidence, whether obtained from a party or another source. The parties may submit a written response, due within ten (10) days after the materials are provided, which will be considered by the Title IX Coordinator prior to finalizing the investigative report.

The parties and their advisors must sign an agreement not to disseminate any of the evidence subject to inspection and review or use such evidence for any purpose unrelated to the Title IX grievance process.

The parties will have access to use and refer to these documents and materials during a hearing.

ii. Investigative Report

Upon completion of the investigation, the Title IX Coordinator must prepare an investigative report, which will fairly summarize all relevant evidence gathered during the investigation. The investigative report must include:

1. Procedural history of the case;
2. Alleged Policy violations;
3. A list of individuals interviewed;
4. A list of exhibits;
5. A list of additional documents and materials (not included as an exhibit) obtained as part of the investigation and directly related to the allegations, including inculpatory or exculpatory evidence; and
6. A summary of party and witness statements and other relevant evidence, including a summary of relevant evidence pertaining to each allegation.

iii. Review of Investigative Report

Upon completion of the investigative report, and at least ten (10) days prior to any hearing, the Title IX Coordinator will send the report to each party (and the party's advisor, if applicable) for their review and written response. A party's written response to the report is due within ten (10) days after the report is provided, and will be shared with the Adjudication Committee and other party prior to a hearing.

c. Live Hearing

Following the completion of the investigation and investigative report, as outlined above in Section XI-E-b, all Title IX Sexual Harassment matters will proceed to a live hearing. The same process and procedures will apply regardless of whether the respondent is a student or employee, although specific information regarding employee penalties is included in Section XI-E-c-ii-3 and Section XI-E-f.

When possible, the live hearing must be completed within sixty (60) days after completion of the investigation.

Live hearings pursuant to this section may be conducted with all parties physically present in the same geographic location or, at the college's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants to see and hear each other simultaneously.

i. Pre-hearing procedures

1. Referral for Hearing

Following the conclusion of the investigative process, the Title IX Coordinator will notify the following parties that the matter is ready for a hearing before the Adjudication Committee:

- A. For student respondents: University Title IX Director and college Office of Student Affairs.
- B. For employee respondents: University Title IX Director; college Office of Human Resources and college Labor Designee.

The University Title IX Director will facilitate the selection and scheduling of the Adjudication Committee, which will be comprised of members of the CUNY-wide Sexual Misconduct Panel (See Section X-C). The University Title IX Director will determine an appropriate physical location for the hearing on a case by case basis. After the Adjudication Committee is selected and the hearing is scheduled, the college Office of Student Affairs or college Office of Human Resources will coordinate the hearing, including, for example, providing a location, facilitating a remote platform, recording the hearing and arranging for presenters and advisors, as needed.

2. Issuance of Notice of Hearing

The college Office of Student Affairs or Office of Human Resources/Labor Relations will issue the Notice of Hearing to both parties, which will include the date, time and location of the hearing and notice of the allegations identified in the investigative report. The Notice of Hearing must be sent by both first-class mail (or overnight mail) to the physical address or P.O. box address appearing on the records of the college and email using the party's CUNY email address, and any other email address known to the college. Notice of at least seven (7) days will be provided.

The parties are permitted one adjournment each, for a reasonable amount of time under the circumstances, without specifying a reason. Additional requests for an adjournment must be made at least five (5) days prior to the hearing date, and shall be granted or denied at the discretion of the chairperson of the Adjudication Committee. If either party fails to respond to the notice, appear on the adjourned date, or request an extension, the college may proceed without their presence, and any determinations of responsibility will be final, subject to appeal.

The Notice of Hearing must contain the following:

- A. A complete and itemized statement of the allegations against the respondent, including the policy the respondent is charged with violating, and the possible penalties for such violation; and

- B. A statement that the parties have the right to attend and participate fully in the hearing including the right:
 - a. To present their side of the story;
 - b. To present witnesses and evidence on their behalf;
 - c. To be represented by an advisor (who may be an attorney, at their own expense) and if the respondent or the complainant does not have an advisor at the hearing, the college must provide an advisor for the limited purpose of cross examination.
 - d. For their advisor to cross-examine witnesses presenting evidence;
 - e. For the respondent to remain silent without assumption of responsibility; and
 - f. A warning that anything said may be used at a non-college hearing.

3. Review of Evidence before Hearing

At least five (5) days prior to the commencement of a hearing, the college will provide the parties and their advisors:

- A. A list of documents or other tangible evidence that the college intends to use at the hearing. In the event the college intends to use documents or other tangible evidence at the hearing that was not provided to the parties during the investigation phase, the college must provide those materials to the parties and their advisors at least five (5) days prior to commencement of a hearing; and
- B. A copy of the other party's written response to the investigative report.

At least five (5) days prior to the commencement of a hearing, the college will provide the members of the Adjudication Committee the following:

- A. The investigative report, including exhibits; and
- B. The parties' written responses to the investigative report.

ii. Hearing Procedures

All hearings pursuant to this Policy are closed hearings, meaning that participation and observation is limited to the parties, their advisors, witnesses, the Adjudication Committee, the college presenter and any college or CUNY staff required to coordinate the hearing.

1. Roles and Responsibilities

The participants at the hearing are the college, the respondent and the complainant.

Adjudication Committee

The Adjudication Committee, discussed in Section X-C, serves as the decision-maker at the hearing. Prior to the hearing, the Adjudication Committee will review the investigative report, exhibits and the parties' written responses to the investigative report. During the hearing, the Adjudication Committee will listen to the testimony, review and consider evidence and ask questions of the witnesses. After the hearing, the Adjudication Committee will consider all of the information and evidence reviewed, make a decision as to responsibility and penalty (if applicable) and issue a written determination of responsibility.

Adjudication Committee Chairperson

The chairperson must preside at all hearing sessions and meetings. At the commencement of the hearing, the chairperson must inform the parties of the charges, the hearing procedures, and their rights. The chairperson must then ask the respondent to state whether they are responsible or not responsible for the conduct. The chairperson shall exclude from the hearing room all persons who are to appear as witnesses, except the respondent and the complainant.

The chairperson must rule on the admissibility of evidence and must exclude irrelevant questioning, testimony and evidence.

College Presenter

The college will be represented by a presenter. Each academic year, the Chief Student Affairs Officer of each campus, must appoint/identify one or more campus college employees to serve as presenters for hearings against student respondents involving their campuses. Similarly, the College Labor Designee, Director of Human Resources or a designee must appoint/designate one or more campus college employees to serve as presenters against employee respondents involving their campuses. This list should be forwarded to the University Title IX Director and the Office of the Vice Chancellor for Student Affairs prior to the first day of the academic year.

Advisors

The parties may be accompanied by an advisor of their choice (who may be an attorney) who may fully participate at the hearing, including advising and representing a party. In the event a party does not have an advisor present at the hearing, the college must provide an advisor for the limited purpose of conducting cross-examination on behalf of that party.

Advisors must treat all hearing participants, including the Adjudication Committee, parties and witnesses, with respect. Advisors must also abide by the Rules of Decorum promulgated by CUNY. Any party intending to appear with an attorney must give the college five (5) days' notice of the attorney's name and contact information.

2. Responsibility Phase

The college bears the burden of proving the allegations by a preponderance of the evidence.

Presentation of Evidence

Evidence will be presented in the following order: college, complainant and respondent. The parties have an equal opportunity to present relevant evidence, including fact and expert witnesses and other inculpatory and exculpatory evidence to the Adjudication Committee. If a party submits documentary evidence during a hearing that was not previously shared during the investigation, the chairperson may, at the request of any other party grant and adjournment of the hearing as necessary in the interest of fairness, to permit the requesting party time to review the newly produced evidence.

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the

complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Questions and evidence of the mental health diagnosis and/or treatment of any party may not be introduced, unless that party provided their voluntary and written consent for such materials to be made part of the investigation and the information is directly related to the allegations raised in the Title IX Formal Complaint.

Cross Examination

Each party's advisor will be permitted to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. A party may not conduct cross-examination personally, but must do so through their advisor. In the event a party does not have an advisor and the case proceeds to a hearing, the college must provide an advisor for the limited purpose of conducting cross-examination on behalf of that party.

Before a complainant, respondent, or witness answers a cross-examination or other question, the Adjudication Committee Chairperson must first determine whether the question is relevant and explain any decision to exclude a question as not relevant.

If a party or witness does not submit to cross examination at the live hearing, the Adjudication Committee must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the Adjudication Committee cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross examination or other questions.

3. Penalty Phase

If a respondent is found responsible for violating the Policy, the Adjudication Committee will determine the penalty to be imposed; except that if the respondent is a represented employee whose discipline is subject to a collective bargaining agreement with CUNY or an employee with disciplinary rights under the New York State Civil Service Law, there will be no penalty phase, and a determination that the respondent is responsible will be referred for discipline under the applicable collective bargaining agreement or Civil Service Law.

Following the responsibility phase of the hearing, the complainant, respondent, and college, will have the opportunity to introduce evidence and make arguments related to what the appropriate penalty should be, in the event the respondent is found responsible for violating the Policy. The complainant, respondent and college will also have the opportunity to introduce evidence of and comment on the respondent's character, including any past findings of responsibility for Domestic Violence, Stalking, Sexual Assault or any other Sexual Misconduct, and submit a statement regarding the impact of the conduct.

The college may also introduce a copy of the respondent's previous disciplinary records, if any, from any CUNY institution the respondent has attended, provided the respondent was shown a copy of the records prior to the commencement of the hearing.

The Adjudication Committee will consider the disciplinary records, as well as any documents or character evidence introduced by the respondent, the complainant, or the college, in determining an appropriate penalty.

If either party chose not to participate in the responsibility phase of hearing, they still have the opportunity to introduce evidence and make arguments related to what the appropriate penalty should be and to provide or make an impact statement.

d. Determination of Responsibility

Following the hearing, the Adjudication Committee will determine whether there is a preponderance of evidence that the respondent violated the Policy, which may be based on information contained in the investigative report and the testimony and evidence presented at the hearing.

The Committee will issue a written Determination of Responsibility, which must include the following:

- i. Identification of the allegations potentially constituting Sexual Misconduct;
- ii. A description of the procedural steps taken from the receipt of the Title IX Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- iii. Findings of fact supporting the determination;
- iv. Conclusions regarding the application of this Policy to the facts;
- v. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility;
- vi. If a student respondent is found responsible, any disciplinary sanctions that will be imposed on the respondent or, if an employee is found responsible, a statement that the matter will be referred for discipline under the applicable collective bargaining agreement or Civil Service Law, as applicable;
- vii. A statement of whether remedies designed to restore or preserve equal access to CUNY's education program or activity will be provided to the complainant; and
- viii. Procedures and permissible bases for the parties to appeal.

The college will send the written determination of responsibility to the parties simultaneously, within fifteen (15) days of the conclusion of the hearing. The determination of responsibility will be sent by both first-class mail (or overnight mail) to the physical address or P.O. box address appearing on the records of the college and email using the party's CUNY email address, and any other email address known to the college. In cases involving two or more complainants or respondents, the college has twenty (20) days from the conclusion of the hearing to send the decision. The decision is final subject to any appeal.

e. Remedies for Complainants

In the event the respondent is found responsible for violating the Policy, the Title IX Coordinator will implement remedies for the complainant, designed to restore or preserve equal access to the recipient's education program or activity. Such remedies may include a continuation of the same supportive measures and accommodations described in Section VIII, but need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

f. Sanctions for Respondents

Range of Sanctions for Student

Respondents

Sanctions for student respondents range from a warning to suspension or expulsion from CUNY. When a disciplinary hearing results in a penalty of expulsion or suspension for one term or more, the respondent must be barred from admission to, or attendance at, any other unit of CUNY while the penalty is being served.

Students may also be subject to CUNY's policy on transcript notations which is discussed in Section X-I.

Range of Sanctions for Employees

As discussed above in Section XI-E-c-ii-3, there will be no penalty phase for employees who is subject to a disciplinary process contained in a collective bargaining agreement with CUNY or an employee with disciplinary rights under the New York State Civil Service Law; instead, a determination that the respondent is responsible will be referred for discipline under the applicable collective bargaining agreement or Civil Service Law. For all other employees, sanctions range from a reprimand to suspension to termination of employment.

XII. PROCEDURES FOR NON-TITLE IX SEXUAL MISCONDUCT MATTERS

The following procedures will apply to Non-Title IX Sexual Misconduct matters.

When the college becomes aware that Sexual Misconduct may have been committed by or against a student, employee or visitor, the college must conduct an investigation unless the information provided is insufficient to permit an investigation or the complainant has requested that the college refrain from such an investigation and the college has determined that refraining from an investigation will not result in a continuing threat to the college community. See Section VII-C.

A. Rights of the Parties

Whenever an investigation of Non-Title IX Sexual Misconduct takes place, the parties have the rights described in Section X-A.

B. Informal Resolution

A Non-Title IX Sexual Misconduct matter may be resolved through an informal resolution process (Section X-B).

C. Investigation

The Title IX Coordinator is responsible for conducting any investigation in a prompt, thorough, and impartial manner. Whenever an investigation is conducted, the Title IX Coordinator must:

- a. Coordinate investigative efforts with other appropriate offices;
- b. Provide the parties written notice that an investigation is being commenced, including notice of the allegations and sufficient details known at the time notice is sent, including the date, time and location of the alleged behavior and the specific act or acts that are alleged to violate the Policy's prohibition on Sexual Misconduct;
- c. Interview witnesses who might reasonably be expected to provide information relevant to the allegations, and review relevant documents and evidence. Both the complainant and respondent must be informed that they have the right to provide relevant documents and to propose witnesses whom they reasonably believe can provide relevant information. A respondent employee who is covered by a collective bargaining agreement may consult with and have a union representative present at any interview of that employee conducted as part of such investigation; and
- d. Create an investigative report that fairly summarizes relevant evidence and makes findings as to whether, in the investigator's opinion, there is a preponderance of evidence that the respondent is responsible for the allegation(s).

The college must make reasonable efforts to ensure that the investigation and resolution of allegations of Sexual Misconduct are carried out within reasonably prompt timeframes. While some allegations may require more extensive investigation, when possible, the investigation of allegations of Sexual Misconduct (including completion of the investigative report) must be completed within one hundred-twenty (120) days of the receipt of the allegations.

If there is a delay in completing the investigation, the Title IX Coordinator must notify the parties in writing and indicate the reason for the delay. The Title IX Coordinator should also note the reason for delay and projected timeline for completing the investigation in their case file. The reason for extension of the time frame of an investigation may include, but is not limited to: compliance with a request by law enforcement; a limited accommodation for the availability of parties, their advisors and witnesses; students on leave; exam periods, school breaks or vacations; and accounting for the complexities of a specific investigation, including the number of witnesses and volume of information provided by the parties.

Upon completion of the investigation, the Title IX Coordinator must prepare an investigative report, which will fairly summarize and evaluate relevant evidence gathered during the investigation. The investigative report will include:

- a. Procedural history of the case;
- b. Alleged Policy violations;
- c. A list of individuals interviewed;
- d. A list of exhibits;
- e. Summary of party and witness statements and other relevant evidence;
- f. Analysis of evidence, including credibility assessments; and
- g. Factual findings regarding whether, in the investigator's opinion, there is a preponderance of evidence that the respondent is responsible for the allegation(s).

D. Action Following the Investigation or Termination of an Investigation

a. Students

If the complainant is a student, the Title IX Coordinator must provide the investigative report to both parties within five (5) days of the completion of the report. If the allegations are unsubstantiated, in whole or in part, the student complainant has the right to appeal the Title IX Coordinator's determination to an Appeal Committee. Appeals may be based on the following grounds:

- i. Procedural irregularity that affected the outcome of the matter
- ii. New evidence that was not reasonably available at the time of the investigation, which could affect the outcome of the matter; or
- iii. The Title IX Coordinator had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The complainant must submit their written appeal to the University Title IX Director within fifteen (15) days after the delivery of the investigative report. The University Title IX Director will provide the complainant's appeal to the respondent within five (5) days of submission. The respondent will have the opportunity to submit a written response to the appeal, due within fifteen (15) days after the delivery of the complainant's appeal.

The University Title IX Director will facilitate the composition and scheduling of the Appeal Committee, which will be comprised of members of the CUNY-wide Sexual Misconduct Panel, as outlined in Section X-C. The Appeal Committee will review the investigative report, the

complainant's appeal and the respondent's response, if any. The Appeal Committee will issue a written decision within fifteen (15) days of receipt of the respondent's written submission or failure to provide a submission. The written decision will be provided simultaneously to both parties.

If the Appeal Committee grants the appeal, it may remand the matter for appropriate action, which may include, but is not limited to, the evaluation of new evidence or a new investigation.

Following the appeal, if any, the Title IX Coordinator shall send the investigative report, as well as any decision on appeal, to the College President. If either party is a student, the investigative report must also be sent to the Chief Student Affairs Officer. A copy of the report and any decision on appeal must be maintained in the files of the Title IX Coordinator.

Following receipt of the investigative report, the College President must, when warranted by the facts, authorize such action as they deem necessary, including action to correct the effects of the conduct investigated or prevent further harm to an affected party or others similarly situated. This may include a recommendation that disciplinary action be commenced against a respondent, as set forth in Section XII-E below, or for unsubstantiated findings, authorization to close the matter.

Within thirty (30) days following the termination of an investigation (for example, because it was resolved by informal resolution or the complainant withdrew cooperation); the Title IX Coordinator will summarize for the file the actions taken in response to the allegations and the basis on which the investigation was closed.

b. Employees

The Title IX Coordinator must provide the investigative report to the College President. Following receipt of the investigative report, the College President must, when warranted by the facts, authorize such action as they deem necessary, including action to correct the effects of the conduct investigated or prevent further harm to an affected party or others similarly situated. This may include a recommendation that disciplinary action be commenced against a respondent, as set forth in Section XII-E below, or for unsubstantiated findings, authorization to close the matter.

Within thirty (30) days following the termination of an investigation (for example, because it was resolved by informal resolution or the complainant withdrew cooperation); the Title IX Coordinator will summarize for the file the actions taken in response to the allegations and the basis on which the investigation was closed.

E. Disciplinary Process and Procedures

a. Disciplinary Action

The following procedures apply when the College President recommends that disciplinary action be commenced against a respondent student or employee for violations of this Policy:

i. Discipline Against Students

When a College President recommends discipline against a student for violations of this Policy, the matter is referred to the college Office of Student Affairs and action must be taken in accordance with Section XI-E-b/c, below.

Sanctions for student respondents following a disciplinary hearing range from a warning to suspension or expulsion from CUNY. When a disciplinary hearing results in a penalty of expulsion or suspension for one term or more, the respondent must be barred from admission to, or attendance at, any other unit CUNY while the penalty is being served. Students may also be subject to CUNY's policy on transcript notations, discussed in Section X-I.

In addition to the rights described in Section X-A, the parties have the following rights at a disciplinary hearing:

1. To receive notice of the charges, including the date, time, location and factual allegations, concerning alleged violation of this Policy;
2. To receive notice of the specific provisions alleged to have been violated and possible sanctions;
3. To make an impact statement at the point when the Adjudication Committee is deliberating on appropriate sanctions;
4. To choose whether to disclose or discuss the outcome of a conduct or judicial process;
5. To appeal a determination of responsibility before a panel that is fair and impartial and does not include individuals with conflicts of interest;
6. To have all information obtained during the conduct process protected from public release until a decision-maker on appeal makes a final determination, unless otherwise required by law.

ii. Discipline Against Employees

In cases where the College President recommends discipline against an employee, the matter is referred for disciplinary action in accordance with the applicable CUNY policies, rules and collective bargaining agreements. Penalties for employees include, depending on the employee's title, reprimand, suspension, demotion, fine, or termination of employment following applicable disciplinary procedures. For many respondent employees, these procedures may include a hearing before a non-CUNY fact-finder, as required by the applicable collective bargaining agreement.

For additional information on the disciplinary process in specific cases, parties should consult their campus Title IX Coordinator, who will work with campus Human Resources Director or Labor Designee to provide information. Respondents may also consult with their union representative, if any.

iii. Action Against Visitors

In cases where the person accused of Sexual Misconduct is not a CUNY student or employee, the college's ability to take action against the respondent is usually limited. However, the college will take appropriate actions within its control, such as restricting the visitor's access to campus.

iv. No Disciplinary Action

In cases where the College President decides not to bring disciplinary action, the Title IX Coordinator must inform the parties of that decision at the same time, in writing, and must offer any appropriate support services, including counseling, to both.

b. Student Discipline – Pre Hearing Procedures

i. Referral of Violation for Disciplinary Action

If the College President decides that discipline is warranted, the President will refer the matter to the Chief Student Affairs Officer for further action. The Chief Student Affairs officer may rely on the investigation and determination of the Title IX Coordinator and prefer disciplinary charges.

In instances where a respondent is alleged to have violated this Policy as well as other CUNY policies, rules or bylaws, the entire matter will be heard before the Adjudication Committee and will follow the rules and procedures outlined in this Policy.

ii. Issuance of Notice of Charges and Hearing

Notice of the charge(s) and of the time and place of the hearing must be sent by both first-class mail (or overnight mail) to the physical address or P.O. box address appearing on the records of the college and email using the party's CUNY email address, and any other email address known to the college.

The hearing must be scheduled within a reasonable time following the filing of the charges or the mediation conference. Notice of at least seven (7) days must be given to the parties in advance of the hearing unless the respondent consents to an earlier hearing. The parties are permitted one adjournment each, for a reasonable amount of time under the circumstances, without specifying a reason. Additional requests for an adjournment must be made at least five (5) days prior to the hearing date, and shall be granted or denied at the discretion of the chairperson of the Adjudication Committee. If either party fails to respond to the notice, appear on the adjourned date, or request an extension, the college may proceed without that party present, and any determination of responsibility or sanction will be binding.

The Notice of Charges and Hearing must contain the following:

1. A complete and itemized statement of the charge(s) being brought against the respondent including the policy, rule and/or bylaw the respondent is charged with violating, and the possible penalties for such violation; and
2. A statement that the parties have the right to attend and participate fully in the hearing including the right:

- a. To present their side of the story;
 - b. To present witnesses and evidence on their behalf;
 - c. To cross-examine witnesses presenting evidence, the exception being that the complainant and respondent may not cross-examine each other as discussed below;
 - d. For the respondent to remain silent without assumption of responsibility;
 - e. To be represented by an advisor or legal counsel at their expense; if the respondent or the complainant requests it, the college shall assist in finding a legal counsel or advisor; and
3. A warning that anything said may be used at a non-college hearing.

iii. Review of Evidence before Hearing

At least five (5) days prior to the commencement of a hearing, the college must provide the parties (and their advisors, if applicable), with similar and timely access to review documents or other tangible evidence that the college intends to use at the disciplinary hearing, consistent with the restrictions imposed by FERPA. If a party submits documentary evidence during the hearing, the chairperson may, at the request of any other party, adjourn the hearing as necessary in the interest of fairness, to permit the requesting party time to review the newly produced evidence.

iv. Admission & Acceptance of Penalty

After the charges have been preferred by the Chief Student Affairs Officer, but prior to the commencement of a hearing, the respondent may admit to the charges and accept the penalty that the Chief Student Affairs Officer determines to be appropriate to address the misconduct. Before resolving allegations in this manner, the Chief Student Affairs Officer, or designee, must first consult with the complainant and provide the complainant with an opportunity to object to the proposed resolution, orally and/or in writing. If a resolution is reached over the complainant's objection, the Chief Student Affairs Officer must provide the complainant with a statement of the reasons supporting such resolution, and the complainant may appeal the resolution to the Appeal Committee.

c. Student Discipline - Hearing Procedures

The participants at the hearing are the college, the respondent and the complainant. All hearings pursuant to this Policy are closed hearings, meaning that participation and observation is limited to the parties, their advisors, witnesses, the Adjudication Committee, the college presenter and any college or CUNY staff required to coordinate the hearing.

i. Roles and

Responsibilities Adjudication Committee

The Adjudication Committee serves as the decision-maker at the hearing and is comprised of members of the CUNY-wide Sexual Misconduct Panel. The role of the Adjudication Committee is to listen to the testimony, ask questions of the witnesses, review the testimony and evidence presented at the hearing and the papers filed by the parties and make a decision as to responsibility.

In the event the respondent is found responsible for the conduct, the committee must then determine the penalty to be imposed.

Adjudication Committee Chairperson

The chairperson must preside at the hearing. At the commencement of the hearing, the chairperson must inform the parties of the charges, the hearing procedures, and their rights. The chairperson must then ask the respondent to state whether they are responsible or not responsible for the conduct. Prior to accepting testimony at the hearing, the chairperson must rule on any motions regarding the adequacy of the notice of the charge(s). Subsequent thereto, the chairperson must rule on any motions regarding the admissibility of evidence and must exclude irrelevant, unreliable or unduly repetitive evidence. The chairperson must exclude from the hearing room all persons who are to appear as witnesses, except the respondent and the complainant.

The chairperson must preside at all hearing sessions and meetings and make all procedural rulings for the panel. The chairperson has discretion to limit the number of witnesses and the length of testimony for the presentations by any party and/or their representative.

College Presenter

The college will be represented by a presenter. Each academic year, the Chief Student Affairs Officer of each campus, must appoint/identify one or more campus college employees to serve as presenters for hearings against student respondents involving their campuses. This list must be forwarded to the University Title IX Director and the Office of the Vice Chancellor for Student Affairs prior to the first day of the academic year.

Advisors

The parties may be accompanied by an advisor of their choice (who may be an attorney) who may fully participate at a hearing, including advising and representing a party. Advisors may not give testimony as a witness at the hearing. Any party intending to appear with an attorney must give the college five (5) days' notice of the attorney's name and contact information. Advisors must treat all hearing participants, including the Adjudication Committee, parties and witnesses, with respect. Advisors must also abide by the Rules of Decorum promulgated by CUNY.

ii. Responsibility Phase

The college bears the burden of proving the charge(s) by a preponderance of the evidence.

The parties will present evidence in the following order: college, complainant and respondent. At the conclusion of the college's presentation, the respondent may move to dismiss the charges. If a party submits documentary evidence during a hearing that was not previously shared during the investigation, the chairperson may, at the request of any other party, adjourn the hearing as necessary in the interest of fairness, to permit the requesting party time to review the newly produced evidence.

Evidence of the mental health diagnosis and/or treatment of a complainant, respondent, or witness may not be introduced. Evidence of either party's prior sexual history may not be introduced except

that evidence of prior sexual history between complainant and respondent is admissible at any stage of the hearing to prove consent.

A party may not conduct cross-examination personally, but must do so through their advisor. In the event a party does not have an advisor and the case proceeds to a hearing, the college may assist them to find an advisor for the purpose of conducting cross-examination on behalf of that party.

iii. Penalty Phase

If the panel finds the respondent responsible for the conduct, then the complainant, respondent, and college, will have the opportunity to introduce evidence and make arguments related what the appropriate penalty should be. The complainant, respondent and college will also have the opportunity to introduce evidence of and comment on the respondent's character, including any past findings of a respondent's responsibility for Domestic Violence, Stalking, Sexual Assault or any other Sexual Misconduct, and submit a statement regarding the impact of the conduct.

The College may also introduce a copy of the respondent's previous disciplinary records, if any, from any CUNY institution the respondent has attended, provided the respondent was shown a copy of the records prior to the commencement of the hearing. The previous disciplinary record must be submitted to the panel in a sealed envelope, bearing the respondent's signature across the seal, and must only be opened if the respondent has been found responsible for the conduct charged. The Adjudication Committee, to determine an appropriate penalty, must use the disciplinary records, as well as any documents or character evidence introduced by the respondent, the complainant, or the college.

If either party chose not to participate in the hearing, they still have the opportunity to introduce evidence and make arguments related what the appropriate penalty should be and to provide or make an impact statement.

iv. Decision

The Adjudication Committee must issue a written decision, which must be based solely on the testimony and evidence presented at the hearing, including the penalty phase. The college must send the written decision to the parties within seven (7) days of the conclusion of the hearing, by regular mail (or overnight mail) and e-mail to the address appearing on the records of the college. In cases involving two or more complainants or respondents, the college has fourteen (14) days of the conclusion of the hearing to send the panel's decision. The decision is final subject to any appeal.

XIII. COLLEGE OBLIGATIONS UNDER THIS POLICY

In addition to addressing allegations of Sexual Misconduct, colleges/units of CUNY have the following obligations:

A. Dissemination of Policies, Procedures, and Notices

The Title IX Coordinator, in coordination with the Office of Student Affairs, Office of Public Safety, Human Resources Department and other appropriate offices, is responsible for the wide dissemination of the following on their campus: (i) this Policy; (ii) CUNY's Notice of Non-Discrimination; (iii) the Title IX Coordinator's name, phone number, office location, and email address and (iv) contact information for the campus Public Safety Office. Such dissemination includes posting the documents and information on the college website, and including it in residence life materials and training and educational materials.

The Students' Bill of Rights, which is appended to and made a part of this Policy, must be distributed to any individual reporting an incident of Sexual Misconduct at the time the report is made. It must also be distributed annually to all students, made available on the college's website and posted in college campus centers and in CUNY owned and operated housing.

B. Training and Educational Programming

CUNY is responsible for providing training to Title IX Coordinators, investigators, CUNY-wide Sexual Misconduct Panel members and anyone who facilitates informal resolutions.

The Title IX Coordinator, in coordination with other applicable offices, including Public Safety, Human Resources and Student Affairs, is responsible for ensuring that the college provides training to college employees on their obligations under this Policy; provides education on this Policy and on Sexual Misconduct (including Domestic Violence, Dating Violence, Stalking and Sexual Assault) to new and continuing students; and promotes awareness and prevention of Sexual Misconduct among all students and employees. Specific required trainings include the following:

a. Training for Responsible and Confidential Employees

The college must provide training to all employees who are required to report incidents of Sexual Misconduct under this Policy, as well as those employees who have been designated as confidential employees.

b. Training for Title IX Coordinators, investigators, CUNY-wide Sexual Misconduct Panel members, and any person who facilitates an informal resolution

CUNY will provide training on the topics below to Title IX Coordinators, investigators, CUNY-wide Sexual Misconduct Panel members, and any person who facilitates an informal resolution process. Training for Title IX Coordinators and investigators will be at least annual.

- i. The definition of Sexual Misconduct, including Sexual Harassment, Title IX Sexual Harassment, Dating Violence, Domestic Violence and Stalking;

- ii. How to conduct an investigation;
- iii. How to create an investigative report that fairly summarizes relevant evidence;
- iv. The grievance process, including hearings, appeals and informal resolution processes, as applicable;
- v. Impartiality, including avoiding prejudgment of the facts, conflicts of interest, and bias;
- vi. Relevance of questions and evidence, including the fact that sexual predisposition or prior sexual acts with individuals other than the parties are generally not relevant, the rights of the respondent, including the right to a presumption that the respondent is "not responsible" until a determination regarding responsibility is made at the conclusion of the applicable processes;
- vii. The scope of the college's education programs and activities;
- viii. The effects of trauma;
- ix. Other relevant CUNY policies and procedures; and
- x. Any technology to be used at a live hearing.

c. Student Onboarding and Ongoing Education

Each college must adopt a comprehensive student onboarding and ongoing education campaign to educate students about Sexual Misconduct, including Domestic Violence, Dating Violence, Stalking, and Sexual Assault. During the student onboarding process, all new first-year and transfer students must receive training on this Policy and on a variety of topics relating to Sexual Misconduct. In addition, each college shall offer and administer appropriate educational programming to residence hall students, athletes, and student leaders. Each college must also provide such educational programming to any other student groups which the college determines could benefit from education in the area of Sexual Misconduct. The college must also share information on Domestic Violence, Dating Violence, Stalking and Sexual Assault prevention with parents of enrolling students. This may be done by linking to <http://www1.cuny.edu/sites/title-ix/information-for-parents-and-families/campus/university/>.

C. Campus Climate Assessments

Each college of CUNY must conduct, no less than every other year, a climate assessment using an assessment instrument provided by CUNY's central office, to ascertain its students' general awareness and knowledge of CUNY's Policy and procedures regarding sexual misconduct, including but not limited to student experiences with and knowledge of reporting, investigation and disciplinary processes. The assessment instrument must include all topics required to be included under applicable law, including Section 129-B of the New York State Education Law. CUNY will publish the results of the surveys on its Title IX web page. The published results will not contain any information which would enable a reader to identify any individual who responded to the climate assessment.

XIV. RULES REGARDING INTIMATE RELATIONSHIPS BETWEEN EMPLOYEES AND STUDENTS

A. Relationships Between Faculty or Employees and Students

Sexual activity or amorous or dating relationships (“intimate relationships”), even when apparently consensual, are inappropriate when they occur between a faculty member or employee and any student for whom they have a professional responsibility. Those relationships are inappropriate because of the unequal power dynamic between students and faculty members and between students and employees who advise or evaluate them, such as athletic coaches or workplace supervisors. Such relationships necessarily involve issues of student vulnerability and have the potential for coercion. In addition, conflicts of interest or perceived conflicts of interest may arise when a faculty member or employee is required to evaluate the work or make personnel or academic decisions with respect to a student with whom they are having an intimate relationship.

Therefore, faculty members and other employees are prohibited from engaging in intimate relationships with students for whom they have a professional responsibility, including undergraduates, graduate and professional students and postdoctoral fellows.

For purposes of this Section, professional responsibility for a student means responsibility over any academic matters, including teaching, counseling, grading, advising for a formal project such as a thesis or research, evaluating, hiring, supervising, coaching, making decisions or recommendations that confer benefits such as admissions, registration, financial aid, other awards, remuneration, or fellowships, or performing any other function that might affect teaching, research, or other academic opportunities.

B. Relationships Between Supervisors and Employees

Many of the concerns about intimate relationships between faculty members or employees and students also apply to relationships between supervisors and employees they supervise. Those relationships therefore are strongly discouraged. Supervisors must disclose any such relationships to their supervisors in order to avoid or mitigate conflicts of interest in connection with the supervision and evaluation of the employees with whom they have an intimate relationship. Mitigation may involve the transfer of either the supervisor or employee, reassigning the responsibility to evaluate the employee to a different supervisor, or other appropriate action.

For purposes of this Section, supervising an employee means supervising in an employment setting, including hiring, evaluating, assigning work, or making decisions or recommendations that confer benefits such as promotions, raises or other remuneration, or performing any other function that might affect employment opportunities.

XV. IMPLEMENTATION

This Policy will become effective on August 14, 2020 and will apply to Sexual Misconduct that allegedly occurred on or after August 14, 2020. Sexual Misconduct that allegedly took place before the effective date of this Policy will be handled in accordance with the CUNY Policy on Sexual Misconduct that was in effect at the time the behavior occurred.

Should any portion of the 2020 Title IX Regulations be stayed or held invalid by a court of law, or should the Title IX Final Regulations be withdrawn or modified to not require the elements of this Policy, the invalidated elements of this Policy (including, but not limited to Sections IX and XI), will be deemed revoked as of the publication date of the opinion or order. Should this Policy's Title IX-specific procedures be revoked in this manner, any Sexual Misconduct covered under Section XI, including any elements of the process that occur after the revocation date if a case is not complete by that date of revocation, shall be investigated, resolved and/or adjudicated under Section XII without further action by CUNY.
